FROM OVER THE LINE

(J. W. Rogers)

Sometimes we look over the line you know, and watch the good people as they come and they go, in Nicholas county.

Hurrah for the candidates all down the line; you hurrah for your man and I'll hurrah for mine.

Thomas Jefferson said, "A Magistrate is of greater importance in his district, than the President of the United States." So wonder, so many candidates for this important office in Nicholas county, just now.

Our prayer in Harrison, sincere and true, may be as good for Nicholas as for God give us men. The time demands strong minds great hearts, true faith and willing hands. Men whom the lust of office does not kill, men whom the spirit of office cannot buy; men who possess opinion and a will; men who have honor, who will not lie, who can not look counseled men who live above the fog in public affairs, and who will not bend a knee to any wrong.

We are glad to know that our friend Fielding Will, is now comfortabled with his son, Clarence Will, of Maysville, and his wife for many years. We have been friends together for many years and while since first beneath the apple tree, in Nicholas county. To say how we would reveal our ages.

We met Mr. T. M. Harden, farmer of near Carlisle, on our way to work days ago, and extended our compliments. Mr. Harden is living the better we like him. He is liberal in church, school and community and moral in conclusion. He says his farm adjoins the farm of our most worthy citizen, Mr. Robert Bramel. We wish we, too had a farm joining Mr. Bramel's, for he is a good, proud community.

Much credit is due Arnold Mattox, of Stallwell, for faithful school attendance. He seems determined to be a good scholar. To say how could reveal our ages.

One of the heaviest rains in several weeks fell in Carlisle and vicinity Friday night. Hearty results will be practically all parts of the county during the past week and have been of great benefit to vegetation, gardens and other crops. In some instances crops were washed out by land being washed and by wind which accompanied the rains.

The girls camps sponsored by the Lions Club at Camp Black Hawk ended Friday, after 22 young girls of the county enjoyed a week's outing. Eighty per cent of the children showed an increase in weight of from 1½ to 4 pounds. The girls ranged in age from 10 to 14 years old and at the camp were under the supervision of the county health unit. A camp for boys will be conducted by the club in August.

Not to be outdone by his brother, L. W. Clark, who was appointed a Colonel on the staff of Governor Sampson, Floyd "Hunny" Clark has been commissioned Admiral of Hunny Fork Creek in Nicholas county by Governor Sampson, the Governor also was commissioned by the Governor Friday. As the grade of Admiral is senior to that of Colonel "Hunny" is now the ranking member of the Clark family.

"This is the first time I have ever seen Carlisle at night," said "Aunt" Sallie Hunnm, Saturday night, while visiting Mercury office. "I have been to Lexington, Paris, Georgetown and Versailles, but this is the first time I have ever been to the county-seat of the county in which she has lived all of her life. Aunt Sally is known to practically everyone in Carlisle and has a host of friends here and anyone else in Nicholas county had never visited Carlisle after dark.

A benefit baseball game between the Carlisle and East Union teams will be played at Jackson park Friday afternoon at 2:30. Receipts from the game will be used to defray expenses of the girls' camp at Black Hawk last week and to secure additional funds for a boys' camp to be held in August. This is the first of a series of games to be played to the above cause. Tickets were on sale Wednesday afternoon and may be purchased at any of the local drug stores or on the streets.

Clarence Mitchell, farmer of the Moorefield section, was shot in the left foot Saturday by Courtney Thompson, negro, of the same section. The shooting occurred near Moorefield. Mitchell and Thompson had a difficulty the day before and Mitchell cut Thompson seith a knife, inflicting painful injuries. When they met on the road Saturday, the quarrel is said to have been resumed when Thompson pulled a pistol from his pocket and fired several shots, one shot striking Mitchell in the foot. Mitchell was brought to the hospital here and treated by Dr. T. F. Scott.

The county school election held last Saturday passed off quietly. There are 31 school districts, but only a few had reported Wednesday to the county superintendent, the law permitting a five day period in which to make a report of the result. Following are the returns received: Miller's Station, Herman Gaunce, Myers, Herman Barnett; Judy, J. W. Smith; Cane Run, Clarence Hopkins, Mt. Zion, Jeff Tice; Stony Creek, Owen Sheehan; Wright, Charley Gates; Goose Creek, Leonard Alexander; Hildreth, J. A. Standiford, Headquarters, M. T. Kennedy; Ellisville, W. H. Elrod; Rose Hill, Roy Earlywine. No election was held at Miranda and Pleasant Valley. Henry's ville school, colored, Henry Shaw.

Only 6 per cent of North Carolina's cotton crop was signed in the government's acreage reduction program this week. The government ordered that no further summaries of the campaign's progress be made public.

Tuesday's report showed that farmers had agreed to retire from cultivation 22.984 acres. North Carolina's quota is 362,000 acres.

Many of England's most famous public schools of today were originally founded as charitable institutions.

HE'S ALIVE!

The dead has come to life. That's what we said when Paul Brown, popular manager of The Brownie Comedians, stepped in The Mercury office this week. The Brownies missed us last year and it was reported that he had played his last curtain call. We were pleased to see his smiling face and feel that his many friends will be glad to see him and his show in Carlisle again. The show opens a one week engagement here Monday, with all new plays and players. Ladies will be admitted free Monday night. The show will pitch their tent on the Piper show lot.
