"If It Is Not Right We Satisfy You"

DO YOU KNOW THAT

for the price of an Ice Cream Soda

When the sun beats down and down, and the temperature goes up and up...

Willingly you stop and buy a refreshing drink to cool you momentarily. But did you ever stop to think that the same amount spent for electricity will give you many hours of comfort?

For a fraction of a cent an hour an Ebelect Fan will bring you as refreshing as the quiet coolness of a mountain lake.

You can have them any time, in any room in your house. And it is with our electric service—only as just as economical, just as efficient, as the other.

an Electric Fan will bring a Week's Cool Breezes
