Nation-Wide Bank Holiday In Force Until Today

(Continued from page one)

livered for deposit or collection after the last closing of business hours and which have not been entered on the banks' books.

7. Pay out without restriction new deposits made in special "trust fund" accounts, on the conditions that gold shall be paid out.

8. Complete settlement for checks charged to accounts on or before March 4, provided the completion does not involve payment of money or currency.

9. Return to customers documents and securities held for safe-keeping.

10. Exercise usual banking functions to provide for absolutely necessary needs of communities for food, medicine, relief of distress, pay rolls and expenditures to maintain employment.

11. Deposit collateral in the United States to secure advances by branches in foreign countries.

12. Clearing house association committees authorized to issue certificates against sound assets of banking institutions, but not before Friday. Authorization revokable at discretion of Secretary of the Treasury.

13. Banks authorized to continue to act as trustee, executor, administrator and other estates functions provided no currency or coin is paid out.

Three Men Charged With Passing Spurious Money

Russell Herrington, 37, of Nicholasville, a native of Nicholas county; Robert Rankin, 20, and Cecil Bodey, 27, of Paris, were arrested by Paris and Winchester officers at Winchester last week on charges of passing counterfeit money. They were arraigned before Uffited States Commissioner C. N. Ward, and sent to the jail in Lexington in default of bond.

The three admitted passing two $10 bills in Winchester. Herrington was arrested at Winchester Monday night of last week on a charge of possessing the bills of counterfeit, said to have been found in his automobile. Herrington recently moved to Nicholasville.

Chicago Mayor Dies From Assassin's Bullet At Miami

A bullet intended for President Roosevelt brought death to Mayor Anton J. Cermak, of Chicago, in a hospital at Miami, Florida, early Monday morning. Ten hours later Giuseppe Zangara, the assassin was indicted for murder. The Chicago Mayor was one of five persons wounded by the Italian when he fired into the Presidential party three weeks ago.

Born May 9, 1872, at Kladno, a small town in Bohemia, the son of a coal miner, Anton Cermak was brought to America by his parents when he was less than a year old. The family settled at Braidwood, Ill., and at 17 he went to work in the mines earning his own living when 11 years old.

Century Old Bridge At Paris To Be Preserved

The century old covered truss bridge that spans Boone creek on North Main street in Paris will be preserved and at some future date may again be operated to span another creek in Bourbon county. Judge George Batterton, who has served for the fiscal court and the city of Paris had agreed to allow the county and that the county, at an early date would begin to remove the old structure, marking each piece of timber as it is removed, and the old wooden timbers will be kept intact until such time as a suitable location can be obtained for the erection of the structure. This bridge has passed and erected under the supervision of a Swiss architect named Werswag in 1831.

INDICT EDWARD SHORT

Indictments were returned by the Bourbon county grand jury in Paris today against Edward Short, 28, of Augusta, accused of having beaten Mrs. Daisy Owens, about 28, last December 19. Two of the indictments charge possession and sale of liquor, and separate indictments charge defendant a woman against her will, assault and battery and carrying a concealed deadly weapon. Mrs. Owens was alleged to have been beaten by Short and taken to Georgetown, Ohio, across the river, where she was found by officers.

Keep Abreast Of The Times

By Buying

An Eight-Cylinder Automobile

Ask competent engineers what number of cylinders make the best motor and see if don't tell you in multiples of four, eight, twelve etc.

How many automobiles other than eight cylinders will be on the market in three years from now? Watch and see. Don't trail along, but buy an eight and keep out in the lead.

It's no joke when we say that the FORD V-8 for beauty, power, speed, ease of handling, quality of material, workmanship and price is leading the world today, and will give you more service for your money than anything you can buy.

Standard Coupe $591 Tudor $601

Think Of An Eight At The Price Of A Six

Not only is this car leading in the above named qualities, but just compare the following prices of its rivals with those of any other make of car—Front Fender $6, Carburetor $6.75, Battery (15 plate) $6.90. Cylinder head (aluminum) $6.25, Steel wheel $4.00 and others at proportionate prices. Mr. Ford is giving to the buying public the greatest value to be found in an automobile today.

A man in Carlisle bought a model A Ford coupe in 1928 and up to this time has not bought a new part for it. Can you beat this for service? A man in Mayslick has a model A Ford that had 116,000 miles on it when last we heard, and still running good. Some service. Come in and let us prove the above statements, and demonstrate to you the new Ford car.

Used Cars For Sale—1 Buick Sedan, 1 Model T Tudor, 1 Model T Touring, 1 Model A Tudor.

PARIS MAGICIAN WINS CHAMPIONSHIP AT REGIONAL MEET

Greyhounds Easily Defeat All Opponents In Tournament Here Last Week

ATTENDANCE WAS FAIR

The Paris high school Greyhounds which came to the tournament heavy favorites won the regional championship in the Twelfth Region Basketball Tournament held in the Carlisle city school gymnasium Friday and Saturday. Paris defeated Buena Vista, Class B champions, in the final game Saturday night by a score of 41 to 17. Although hopelessly outclassed, the little red-clad team from Harrison county put up as game exhibition as was ever witnessed on the local floor.

Buena Vista provided the biggest upset of the tournament by winning the Class B championship from Nicholas county Saturday afternoon by a score of 40 to 41 in one of the most stubbornly fought games ever staged on the local floor. H. McCauley, one of the nine members of the McCauley family on the Buena Vista team, accounted for 27 of his team's points to make the highest individual score of any players in any one game. Buena Vista went into the final by easily defeating Minerva in the preliminary game. Ewing had an easy contest in the preliminary, defeating Little Rock.

The Paris Greyhounds were never forced to exert their full power in any game until the final game when they easily beat Flemingsburg and in the second game Class A champions defeated Augusta by a score of 57 to 17. The Paris team is one of the most smoothly working machines seen on this floor in years and Coach Dutton Collier is expected to have his team into the finals in the state tournament at Lexington the latter part of March.

The scores in the various games were as follows:

Class A

Berry (22)	Pos.	(38) Augusta
Maher (12)	F	(3) Maloney

Before Justice Harry Mills, of Carlisle, Calif., Harry Mills wrote a to a warrant charging a third Harry Mills with breaking into a cabin and stealing blankets.

MORATORIUM ON SALES

Bourbon Judge Will Not Render Judgment In Forced Sales

Asserting his belief that now is the time to suspend forced sale to enforced sales, Judge H. Church Bell, in the Bourbon circuit court at Paris Monday, temporarily stayed the sale of the property of Mrs. Imogene Redmon, under way in the court house door at the time, to be called off by Master Commissioner E. M. Dickson.

The sale was being made to satisfy a judgment in favor of Dr. H. Mathers, of Bourbon county. Judge Ford learned of the sale and was told that in all probability the property would be sold by the only bidder. Calling Judge I. D. Ross, of Carlisle, attorney for Dr. Mathers, Judge Ford informed him that the sale would proceed but that he would entertain a motion by any of the parties at least to set it aside, which he would do in such event, and the sale was stayed.

Later on in court, Judge Ford, it is stated, told the lawyers he would not render judgment in any case pending in his court at this time. Attorneys may prepare their cases and he would hear the facts, but that no one could get a judgment for the payment of money through his court at this time.

Julian Atkinson Again Honored

Local Boy Is Selected As One Of Four Il Club Members To Represent Kentucky

Julian Atkinson, a Nicholas county boy, has been selected as one of four Kentucky boys to represent Kentucky at the National 4-H Club camp in Washington, D. C., this year. He was announced by the College of Agriculture at Lexington, came as a reward for his outstanding club work during the last eight years.

Julian has completed 17 club projects, including eight with baby beeves. His champion four steers and His gross returns from three projects was $1,000.

Concerning his leadership activities, the College of Agriculture says: He is one county baby beef project leader, member of the committee on county fair, alternate to the field trip delegates to Camp Minnawara in Michigan, chairman of the 4-H club achievement radio program in 1932, president of the Kentucky Association of 4-H Clubs, vice-president of his high school glee club, president of the junior class in high school, and captain of his high school football team in 1932.

Other achievements and awards credited to Julian are: Attended all county and district 4-H club camps, awarded two gold medals, captain of county judging demonstration team, member of county champion livestock judging team, established baby beeves in state show each year for the last eight years, and was county health champion.

The other three club members selected to go to the various Kentucky camp are Miss Aileen Steel, of Fayette county, Miss Ruth Bell, of Garrard county, and Miss Hazel Huber, of Jefferson county.

Roosevelt Asks Legalized Beer

President, In Brief Message, Requests Measure Which Would Produce $150,000,000 Revenue

In a surprise message of two sentences, President Roosevelt today asked Congress Monday to enact beer legislation immediately. Democratic leaders of both House and Senate let him know at once they would follow his recommendation.

The prospect was that within a few days beer branches would approve the legislation and put sales tax on the basis now aimed to bring the $150,000,000 a year toward balancing the budget. Both branches, it was believed, would act before Saturday night.

The message contained but seventy-two words and was called "the briefest Presidential message in history."

If Congress passes a beer bill it will be necessary for Kentucky voters to have a special session of the present assembly before beer can be sold in this state. This opinion was expressed Monday by Gov. Ruby Laffoon when asked if he would call a special session of the general assembly. He said he would not consider such a bill providing for the manufacture and sale of beer.

Kentucky's prohibition laws are so written that their definition depends upon a construction of the federal prohibition laws, the Governor said, and in the event that the Supreme Court of the United States holds that the contents of the beer authorized by Congress is not intoxicating it can be manufactured and sold in Kentucky without additional legislation.

State Leaf Average For February $6.41 Hundred

During the month of February a total of 2,788,213 pounds of tobacco sold over the floors of loose leaf warehouses in Kentucky for $2,437,-004.78, or an average of $6.41 per hundred pounds, according to the February tobacco report issued Friday by Eugene Flowers, Commissioner of Agriculture. Of the total sales 22,398,146 pounds were of burley, which brought $1,302,211.17, or an average of $8.08 per hundred pounds.

23 Killed As Tornado Rips Through Tennessee

Twenty-three persons were killed by a tornado which swept up the Tennessee-Kentucky border line on Tuesday night from the Mississippi river to the Cumberland coal country, it was learned from first hand reports at Memphis, Nashville and northeast Arkansas points. Property damage ran into important cities as Nashville, Kingsport and Harrogate, and other smaller towns in Tennessee.

The casualty list follows: Pruden, Tenn., 8 dead, more than 30 injured; Kingsport, Tenn.: 7 dead, 22 injured; Nashville, Tenn.: 4 dead, 100 injured; Harrogate, Tenn.: 2 dead, 2 injured; Gwynn, Tenn.: 1 dead; Bellwood, Tenn.: 2 dead; Lepanto, Ark.: 4 injured.

Property damage will reach several hundred thousands.

FOUR LOCAL BANKS OPENED WEDNESDAY ON NORMAL BASIS

Carlisle And Moorefield Banks Receive Permission To Open For Business

UNDER NO RESTRICTION

The three Carlisle banks and the Moorefield Deposit Bank opened their doors Wednesday morning for the resumption of normal business after being closed or operating on restricted withdrawal basis under orders issued two weeks before. The first bank holiday was issued on March 1 by Governor Laffoon and the President's proclamations closed the banks after the week ended. The doors of the banks here have remained open all week, but under the restrictions they operated on restricted withdrawal basis as required.

All four of the banks of the county received their orders by telegram Wednesday morning and all opened without any restrictions. In other words, each bank was being checked on for the full amount of deposit. The banks could have taken advantage of Governor Laffoon's proclamation, but decided to wait until they had been employed for these days in order to get the full faith of the county, since the demand for loans is not sufficient to take full funds.

Any farmer who can secure credit locally, through the banks, or elsewhere should use his home banks, but in the event he cannot he can be secured he can then borrow enough through the Crop Production Loan office to get the seed. Also, Governor and Governor in saving the banking system over the nation, was passed.

Local bankers stated Wednesday that deposits for the day greatly exceeded withdrawals.

Relief Committee Suspends Work

Small Balance On Hand To Be Saved For Probable Cares Of Emergency Relief

The local Relief Committee has received orders from the Kentucky Relief Commission at Louisville to discontinue all work relief in this county for the present. This action was taken by reason of the fact that the funds remaining in the allotment from this county totaled less than $800 for the remaining weeks of March and of April. It was thought best to save this for cases of emergency relief, and for cases where direct relief could be given.

Nicholas was forced to overdraw its quota of $4,500 for January and February by $1,600 in February, because of the large number receiving for free garden seeds at the office of the local committee. Those receiving free seeds are required to accept supervision of their gardens.

Blanks For Crop Seed Loans Here

County Agent Now Assisting Farmers Of County In Securing Loans For Their Crops

Application blanks for the seed loans to farmers which are to make this spring by the Secretary of Agriculture have been received and farmers are now making applications at the County Agent's office. This year County Agent Matson will have to interview each borrower and estimate the amount that will have to be needed by the borrower to put in his crop. Miss Hallie Griffith has been employed to type all applications, which will then be handled as they were last year through the local committee, who himself pass on them before they are forwarded to the St. Louis office. Each farmer wishing a loan must apply at the county agent's office.

Paris Bond Issue Upheld By Court

$150,000 Bond Issue For Municipal Electric Plant Is Valid Court Of Appeals Rules

The validity of a $150,000 bond issue proposed to be issued by the city of Paris for a municipal electric light plant was upheld Friday by the Court of Appeals.

The Kentucky Utilities Company attacked the validity of the bond issue on the ground that the city, in issuing the bonds voted at the November, 1930 election, would violate the constitutional limit of indebtedness.

In support of this contention the utilities company pointed out that the city now has outstanding in bon
