# **ARMOUR'S** Helped To Do This

If you could grow 2450 pounds of tobacco on 11/4 acres of land and sell it for \$675.75, and if you thought an eight dollar investment in fertilize would help accomplish this result, don't you think it would be a good investment?

This is what Mr. J. T. Griffith, of New Liberty, Owen County, Kentucky, did last year and here is a record of his sale:

Flyings /5	lbs. (a) 1/c	\$ 12.75
Flyings 145 I	bs. @ 211/2c	31.17
Best Trash 180 1	bs. @ 26c	46.80

Mr. Griffith has verified the correctness figures in a letter in our possession. We would like to help you through the use of Armour Fertilizer.
