Based upon our running time, and figuring an average of four persons to the family, our record shows that some

2000 Families are now using

WHITE ROSE FLOUR

We have a record on 646 families in Nicholas county who are using White Rose regularly and of course there are hundreds of other home folks who are using this home product.

Not only at home has White Rose grown in popularity, but abroad also. Thousands of pounds are shipped to Eastern Kentucky and we have regular customers in a dozen surrounding counties.

There must be a reason. There is. "It's Made Its Way By The Way It's Made"
