Take A Look at the Record

Nicholas County grows good tobacco, as good as is grown in the Burley Belt. That's no idle boast, it's a fact and the figures prove it. Last week at the Virginia Avenue Tobacco Warehouse, Lexington,

Nicholas County Tobacco Averaged \$23.53

for 79,494 pounds, in 45 different crops. Some record? Yes, and it is

\$4.65 Per Hundred Better Than The General Average

Look at the record. See for yourself how Nicholas County tobacco sold at the Virginia Avenue Ware-house last week.
