ARNER'S MILL
Most healthful bread is made by our father, MARY, and Mrs. L. H. Hannon, Mrs. Anna J. Hannon, Mrs. Harry Paul and wife, Mrs. J. H. Hannon and Mrs. J. H. Hannon.

Why White Rose Flour Is Better
Nature supplies wheat, to be converted into flour, which is the foundation of bread—known as "The Staff of Life."

It is because we retain in White Rose Flour all of these natural elements, destroying nothing, as is more often the custom, that it is ever increasing in popularity. It is known as a pure wheat flour—nature flavored—and free of any harmful ingredients which it never intended should adulterate "The Staff of Life."
