

# Tobacco Dollars Tobacco Dollars

If you want the Most Money for your Tobacco Crop, deliver to one of our Big, Modern Warehouses in Cynthiana. LISTEN!! Up to the holidays our company sold over fifty percent of the tobacco delivered to Cynthiana, at an average of \$21.70 per hundred. This market sold 2,432,674 pounds at an average of \$21.26. This tobacco came from 20 Kentucky counties and from the States of Ohio, Indiana and Missouri. Compare our averages with the larger markets and you will find that we are leading by \$1.50 to \$4.00 per hundred. It pays to come a long way to Cynthiana.

WE HOLD THE STATE RECORD FOR HIGH BASKET, HIGH CROP AND HIGH FLOOR AVERAGE

High Basket \$36.00 Per Hundred      High Crop \$30.85 Per Hundred      2 High Floors, 109,750 Pounds, \$25.76 Per Hundred

We are under Government Supervision and our records and averages are checked by Government men, and our reports are absolutely correct. We expect a good strong market on the opening after the holidays, on Monday, Dec. 31st. We can put you on the first, third or fourth sale. Try to have a load on one of our floors after Xmas. First sale at our Independent House No. 3.
