We Should Solve This Problem.

The Mercury is informed that the Johnson household is a serious financial matter, which it may be possible to weather without the help of all its creditors.

It is our understanding, however, that the household is not in such a dire straits as it is being reported to be.

The Starting An Official Post.

There must be something about our climate that particularizes the weather. Every year or so we have a severe winter.

"When The Paper Doesn't Come."

Every country editor has had the following experience: He sits in his office waiting for the paper to come.

Typical Of The Man.

The man of the hour (usually) who we think about is the man who is a little bit of a failure.

The Roosevelt Mental Attitude.

In practical judgment, whether a thing is a good or bad, or indifferent to a matter of opinion.
