The FORD V-8 Has Been Tried And Found Worthy of Your Confidence

You find it in everything necessary for beauty, value, comfort and economy, without unnecessary things intended for selling talk, and that will cause you complications and trouble in the end.

It is not only what you do, but what you don't do, that goes to make success. Mr. Ford would never consider "Free Wheeling, Automatic Clutches," and such things, as a front axle that at all times stands between you and danger in a broken spring, or accident.

Don't forget our SHOP WHEN YOU WANT GOOD WORK SEE OUR USED CARS One 1932 V-8 Deluxe Two-Door with only seven thousand miles. Like new and with same guarantee.

One 1929 Model AA Ford 1 1/2 ton Truck in fine condition. One 1929 Model A Coupe—cheap. One Essex Ford Sedan worth the money we ask.
