MAYSVILLE THE TOBACCO TOWN The World's Best Burley Market

Lets make 1934 so good we can and will forget all about the past four years.

And remember we will sell an average of 5,000,000 pounds per week. So you will not have to wait long to sell. All warehouses have the best of auctioneers and all are operated by thoroughly competent tobacco men.

ANNOUNCING GRADING ALL TOBACCO by the U. S. Government Graders

The U. S. Government has agreed to install a new service to the Farmers. They will have 10 trained and selected expert tobacco judges on the Mayville market in order to establish uniformity and quality in the sale of your tobacco. For this there will be no charge.

HAVE YOU, YET, SIGNED THAT PARTNERSHIP WITH UNCLE SAM? WE STRONGLY URGE THAT YOU SIGN THE PRODUCTION REDUCTION CONTRACT AT ONCE
