A QUESTION ANSWERED

We have all heard it on the streets... "What are you going to do with them?"

There are those who are many... "I don't know what to do with them."

It is because we enjoyed it so... "I don't know what to do with them."

And a question that has been asked... "I don't know what to do with them."

And a question that has been asked... "I don't know what to do with them."
