GO TO SUNDAY SCHOOL

SUNDAY, MAY 6th

Go To Sunday School Day Affords An Opportunity To Demonstrate Our Loyalty To The Purposes To Which The Sunday School Is Committed.

It is not enough to provide instruction-It must be made effective by example.

WHY GO TO SUNDAY SCHOOL?

- 1. Because Christian Education is the hope of the world. It is gen erally recognized that the destiny of the nation is in the hands of her public school teachers: no less true that the spiritual destiny of the world is in the hands of the Sunday School teachers. 2,000,000 volunteer teachers are moulding the religious life of the nation. The Church, through its preachers, must give the world the Christian Ideal; and through its teachers must fix these ideals in the minds of the people so they will express them in conduct.
- 2. The purpose of Christian Education is to unite the life of the child and older grown with the life of Christ. They must be given
- 3. Dr. Paul Vieth gives us a sixfold statement of the objectives of Christian Education, each of which furnishes a compelling reason why we should GO TO SUNDAY SCHOOL.
- To foster in growing persons a consciousness of God as a reality in human experience and a sense of personal relationship to him.
