WHEN YOU BUY

YOU WANT

HEAT

Not just so much black rock! And when you fill your bins with bad coal you are wasting good money.

By insisting on the good coals you increase your heat and reduce your ash and soot percentage. After all, good coal is by far the cheaper in the long run.

Call on us, tell us what heating equipment you use and let us send you a coal that will insure economical results.

Good Shoes at Bargain Price

Good reason why millions have switched to Wolver-ine Shell Horsehide Shoes. Such wear. Such comfort. No wonder millions insist on Wolverine Shoes. He had the ordinary work shoe habit. Then a neighbor told him, "Try Wolverine Shoes." They are still priced so amazingly low.
