A First Impression Justified

That is what we are inclined to say as we read the Judge John LaRuff, of Madison, who we first met in Paducah, we have learned and we know that we are in good luck with a man of the highest type of ability, whose presence on the staff of this paper is a great asset to the community. It is our hope that we may be able to meet him in the future and to talk with him in regard to the many questions that we have in mind.

Why in Heaven's name would people be so afraid of the law?

Why in Heaven's name would people be so afraid of the law? Madison, who we first met in Paducah, we have learned and we know that we are in good luck with a man of the highest type of ability, whose presence on the staff of this paper is a great asset to the community. It is our hope that we may be able to meet him in the future and to talk with him in regard to the many questions that we have in mind.

Why would not the law be made more effective?

A French engineer in Germany has planned a new method of extracting water from the atmosphere. This is a new method of extracting water from the atmosphere.

IF THERE IS an enterprise upon earth that the quater should never attempt it is advertising. Advertising does not jerk---it pulls. It begins gently, at first, but the pull is steady; and it increases, day by day and year by year, until it exerts an irresistible power.
