We are often asked:
"How Do You Make WHITE ROSE So Good?"

Our Answer
WHITE ROSE is good because of the following qualities:

PURITY: It is not bleached with chemicals to a chalky white deadness; the health-giving oils of the wheat are retained, thus giving to White Rose a pure, rich mellowness.

GOOD WHEAT: The soil of Nicholas, Bath, Fleming and Mason, because of limestone conditions, is well adapted to the raising of excellent milling wheat. Our wheat comes from this territory.

CLEANLINESS: We pride ourselves on the cleanliness of our mill and sincerely invite your inspection. Every precaution is maintained to uphold our high sanitary standard.

EXPERIENCE: Though years of experience we have learned the secret of proper wheat blending —a secret essential in the manufacture of fine flour.

PROMISE

(Laura C. Coulson)

Now the bare branches are blooming
Pa'est pink, olive and orange,
Acres on acres ablaze,
Bright as the flowers!

See their stems burning with color,
Red laid on white,
Vivid against the snow background.

Row upon row stand the willows,
Golden-haired ladies bowing and bending
As the sap rises,
Rests and strengthens.

How the bare branches are blooming
Bursting with promise!

BAPTIST CHURCH

R. R. Coney, minister.

Again the spring is here and with it the revival in many parts. Surely we remember this and with it the presence of our Lord, there should be a revival of our spirits and a new determination to live the Christ life.

Let us be praying for the service next Sunday and also for Easter. The pastor will be in the pulpit for both services on next Sunday, the first Sunday.

We will observe the Lord's Supper at the morning service and the communion service the pastor will preach on the "Third Precious Promise." All other regular services.

To those who are shut in, those who are in trouble, those ill and those in sorrow—God bless you all.

PRATHER HALL

Love for Christ can only be manifested by a personal obedience to His commandments. Obedience is the true and only test of love. No matter how loud our profession of love for Christ any one may make, if he disregards the words of the Master, of Christ and does not obey, it is evident that such love is hollow and empty profession. It is in fact a mockery and pretense. The truly love Christ is to obey His words; and to love Christ is to love God the Father. No greater blessing could possibly be ours than to be loved of the eternal, infinite God, the Father of the Son of God, and the Savior of our souls.

Come to 9:30 to worship with us. You are always welcome.

PRESBYTERIAN CHURCH

H. W. Alexander, pastor.

Prayer meeting Wednesday night at 7. We are trying to make this mid-week service the best service of the week. Had a good crowd last Wednesday night, with several young people present. Let's make it better. 9:30 Sunday morning. Morning service at 10:45. At the morning service the Sacrament of The Lord's Supper will be observed. Young people's meeting at 6:15. Evening service at 7. Every church member should attend at least one service on the Lord's Day. But let us not be like some of our members apparently feel, and that is that it is a bad omen to attend more than one service on Sunday. Those who signed the Beloved Covenant Pledge began tithing last Monday. We hope this will prove a great blessing to this church and with more of the members had entered into the plan. Our new church year began April 1st. Let us start the year off right by attending every service Sunday and keep it up.

SUMMER PROGRAM

The Christian churches of Nicholas county plan a summer program. Each church will attempt to double the Bible school attendance.

The regular fifth Sunday fellowship meeting was held at East Union Sunday afternoon. A plan was adopted by which every church in the county would attempt to double their Bible school attendance by "Go to Sunday School Sunday" May 5th.

The future work committee, composed of representatives from each church, recommended that an evangelistic meeting be conducted in each church during the summer, and that the dates be so arranged that all the churches in the county would be co-operate. Wherever the meeting is being held, all the other churches in the county will attend as much as possible.

A meeting will be conducted at the Old Concord church July 7 to 14. The county convention will be held at Concord on the 16
