**Are You Undecided?**

PERHAPS you are getting weary of your family's present telephone. You may be sure you really need a new one.

It is a matter which concerns everyone in the family. How much a telephone would help Mother with her shopping and household duties, and how Father would find it handy in reaching his friends and relatives both in and out of town.

Other new telephone tones. Your friends will be glad to know you have one and every member of your family will enjoy it. Just call the telephone business office.

Southern Bell Telephone and Telegraph Co.

**You do 80% of your driving within 25 miles of your doorstep**

**Types Stop-and-Go driving wastes your money if your gasoline hasn't Three distinct Kinds of Power**

**THE** average car today is continually DASHING BACK AND FORTH within a few miles of home—starting, a shopping, warming-up—time after time.

This calls for 3 kinds of power in your gasoline—POWER for quick starting, POWER for acceleration, POWER for steady runs. Unless you have these three types of power—and unless they are in PERFECT BALANCE—you're wasting money.

Super-Shell can give you these 3 types of power—and can cut your driving costs 3 ways—for Super-Shell is the first truly balanced gasoline—

**SUPER-SHELL saves on today's Stop-and-Go driving**

Can save up to a couple of gallons in gas on every 100 miles of driving. Super-Shell saves you in fuel with less wasteful churning.

Can save up to a couple of gallons in 10 minutes of idling. Because of Super-Shell's even volatility, you can idle your engine for 10 minutes or more without waste.

These THREE BIG SAVINGS of gasoline naturally result in more mileage per tankful! Try Super-Shell today... at no extra cost!
