As From Where They Reveal?

The caption goes back. It will be the first of the kind to be published in this country. It is the first of the kind to be published in this country. It is the first of the kind to be published in this country.

Our Prison Problem.

It is the first of the kind to be published in this country. It is the first of the kind to be published in this country. It is the first of the kind to be published in this country.

The Trend is Upward.

Improved economic conditions throughout the country are indicated in the increased revenue from income tax returns this year. In Kentucky the increase was 73 per cent. Income tax payments increasing \$1,000,000 over 1934.

Won't Need A Mad Dog Scare.

As this newspaper observed before a leased primary election was held in this county, we should be sure to have a mad dog scare this summer. For one thing, the mad dog scare is a thing that has been known to occur in this county for many years.

"Crazy With Excitement."

A. A. Bowman, editor of the Woodland News, writes of the excitement of the newspaper men in this county. He says that they are "crazy with excitement" because of the new paper that is being published in this county.

POEMS THAT WE LIKE

WHEN MARCH WINDS HOWL
The March winds howl and the snow falls
They sweep the earth from the sky
They sweep the earth from the sky

CARLISLE MERCURY, CARLISLE, KY., APRIL 18, 1935

AMAZE A MINUTE SCIENTISTS - BY ARNOLD

Even Total Eclipses Leave Light For The Earth
The earth is never completely dark during a total eclipse. A small amount of light is still visible.

50 Years Ago
