New Advantages

All Maysville Warehouses have reduced the number of baskets on their floors, so that no baskets will touch each other. Buyers can see and pull the tobacco from all sides.

This Means Quicker and More Satisfactory Sales for Everybody

Under this system all Maysville Warehouse floors when full will be sold out every five days or oftener.

THE AVERAGES

DO NOT BE MISLED BY MARKET AVERAGES The following averages were taken from the U. S. Government figures of the 1934 crop as sold at Maysville:
