

YOUR QUESTION:

"What is this **ENO** I hear so much about?"

OUR ANSWER:

"ENO is a remarkably pleasant tasting corrective. Pour a little ENO into half a glass of water, drink it daily and you'll be sparkling and effervescent. Do this and you'll get your system free of 'intestinal flatness.' No unpleasant after-effects. Buy a bottle of ENO now."

Harrison County Board Consolidates Schools
The Harrison county board of education has voted to consolidate the schools of the county into a single system. This action was taken after a long and careful study of the situation. The board believes that this consolidation will result in a more efficient and economical school system for the county.

Buy Intelligently Says Home Expert
The home expert advises that buyers should be intelligent and careful when purchasing a home. He suggests that buyers should look for a well-located property with a good layout and a solid construction. He also advises that buyers should consider the future needs of their family when making a purchase.

SENSE AND NONSENSE
A senseless act is one that is done without any purpose or reason. It is an act that is done simply because it can be done. This is a waste of time and resources. We should always act with a purpose and a reason.

Harness Time
The harness time is a time when the harness is worn. It is a time when the harness is used to hold the rider in place. It is a time when the harness is used to provide support and stability. It is a time when the harness is used to protect the rider from injury.

It Pays to Buy The Best when you buy harness
When you buy a harness, you should buy the best. The best harness is made of high quality materials and is designed to provide maximum support and stability. It is also designed to be comfortable and easy to wear. The best harness is the one that will last the longest.

C. R. King
C. R. King is a well known name in the world of harness racing. He is a trainer and a breeder of harness racing horses. He has trained many successful harness racing horses and has bred many successful harness racing horses. He is a well known and respected figure in the harness racing world.
