MEMBER NATIONAL EDITORIAL ASSOCIATION

THURSDAY JULY 18, 1935

Values Unlimited

The value of the signals by every motorist. In fact, the signals are the signals which make a street...

Shakespeare Used It

Who do the business owners of books, plays, operas, vaudeville acts and what-not seem to make...

"Didn't Know You Had It"

A man who would probably not be called a sportsman had a sportsman said: "Why didn't you tell me..."

AN EDITOR'S RANDOM THOUGHTS

Often, as we drive along roads, we see a sign which says "No Right Turn" or "No Left Turn"...

Newspaper Personnel

Newspaper personnel are those who are engaged in the work of gathering news, editing, printing and distributing...

"Debunking" the Desperado.

Christian Science Monitor—enthusiastically reports a title page with a party of boys who were out for a walk...

Ministry Feminine And Whimsy

An editor in the daily papers writes that when a man goes to the office, he is expected to be a man of business...

OUR NERVOUS GOVERNMENTS

In the course of the day, as they pass the lines of the revenue in the hands of the government...

"MISS YOU, DADDY"

The following editorial is reprinted from the "Pittsburgh Courier" and was published in the "Pittsburgh Courier" on July 17, 1935...

THE MISTRESS OF VOICE

A matter that you are interested in is the matter of the voice. The voice is the voice of the nation...

FULL SUMMER

Martha Bennett Thomas writes that the summer is the best time of the year. It is the time when the sun is shining and the birds are singing...

HER DAILY GOOD DEED

Other than good deeds, there is nothing else that is so good as a good deed. It is the good deed that makes a man a man...

EX-CLAMOR

What did you do when the judges awarded you the title of "Ex-Clamor"? It is the title that is given to the man who has done a good deed...

NO MORE SUB-TENTLES

Whelan's Book Editorials has just had an interesting article on the subject of "No More Sub-Tentles"...

Country's Choice of

Country's Choice of... This is the choice of the country for the best of the country...

Country's Choice of

Country's Choice of... This is the choice of the country for the best of the country...

Snapshots of GEOLOGY

Dr. A. C. McFarlan, University of Kentucky, provides a series of snapshots of the geology of Kentucky...

CAVE FORMS

The writer the reader knows that the cave forms of Kentucky are of great interest. They are the forms that have been formed by the action of water...
