Just an hour of your time . . .

and we will convince you of the many wonderful qualities and advantages of the FORD V 8 not possessed by any other car in its class, and many far above its class. Space forbids further mention here, but its power, speed, easy handling and easy center poise riding are simply wonderful. Then the economy of operation as to gas and oil. Just last week on a close test from Flemingsburg to Morehead, to Owingsville and back to Carlisle, twenty miles miles to the gallon of gasoline. Not unusual to make a thousand miles without adding oil. Greatest of all, the exchange price Ford gives you on the different parts of the car, such as no other manufacturer ever offered.

READ WHAT HARD USERS SAY

To Whom It May Concern:-

I have been trucking for years, hauling up toden thousand pounds at a load, have used Chevrolet, Studebaker, Model AA Ford and V 8 Ford, and can easily say that V 8 Ford is the most satisfactory of all. As to power and speed it beats all, and economy on gas and oil perfectly satisfactory.

H. H. ROBERTS, Carlisle, Ky.

For years I have been doing heavy hauling on new road work, and from my experience as well as observation I would not exchange the Ford V 8 Truck for any other.

JOHNNIE HAMMONDS,
Flemingsburg, Ky.

Don't fool yourself by allowing someone to talk you into buying before you have thoroughly investigated the Ford.

R. T. Kirkland, Administrator

EXECUTOR'S NOTICE

Executive Board of the Johnson Memorial Hospital, Carlisle, Ky., July 15th, 1935.

Death has been busy in the ranks of our board again and we are called upon to mourn the loss of a valuable, useful man, who served well his day and generation.

Mr. Sam T. Howe was appointed director of the hospital by the fiscal court on account of his worth and faithfulness as chairman during these trying days. He was untiring in his efforts that the organization was financially sound and successfully handled. Therefore

Be it resolved: That his passing away has lost one of its most valuable members, a friend and counselor and we have lost a valued member.

Resolved, That the wisdom and ability which he has exercised in the affairs of our hospital service, contributions and counsel will be a long and grateful remembrance.

Resolved further: We deep sympathy for the family we as a board of co-workers with him express to the bereaved family and ask that a copy be sent to us.

May he ever be remembered for Him who doeth all things well.

Peace to his ashes. So be my passing!

My task accomplished and the long day done,
My wages taken, and in my heart
Some late lark singing,
Let me be gathered to the quiet west,
The sundown splendid and serene,
Death.

Resolved that a copy of these resolutions be spread upon the minute book, a copy printed in the local newspaper and a copy to the family.

LOCAL DEALER IS HONORED BY TIRE COMPANY PLAQUE

Wins A Fifteen Year Friendly Relations Token From Goodyear

In recognition of their many years of friendly relations, a handsome plaque has just been presented to Harper's Garage, local Goodyear dealers, by the Goodyear Tire & Rubber Co.

Accompanying the plaque was a personal letter from P. W. Litchfield, president of Goodyear, to Harper's Garage, expressing the manufacturing concern's appreciation of their outstanding loyalty as a Goodyear dealer and the hope the friendly relations may continue indefinitely.

The plaque which occupies a prominent spot in Harper's Garage, is strikingly attractive in bronze, with the name of Harper's Garage and of Goodyear appearing in raised letters on the portrait.

Various means of transportation, such as the automobile, bus, train, railway train, steamboat, airplane and sailing vessel, are featured in bas-relief.

The main plant of the Goodyear Tire & Rubber Co. and the giant Goodyear Zeppelin dock, having been recently world without its tanker supports, are shown in the background, while in the center foreground appears a Goodyear All-Weather Tread tire encircling the Goodyear house flag.

The plaque is executed to effectively symbolize the progress of transportation, and having received hearty stimulus for years through the cooperative effort of the Goodyear dealer, which Harper's Garage is a part.

CONNECTICUT WIFES OUT OLD BLUE LAWS

Severe Penalties Dropped for Many Offenses.

Hartford, Connecticut—In our district the old "blue laws" have been dropped in the original settlement founded by a small band of pioneers from the Massachusetts Bay colony. Many of the "blue laws" which ruled with an iron hand in Massachusetts never found favor with the Connecticut Yankees.

In the tercentenary celebration of the state next month pageants over the years of the state's history will show that the death penalty could be invoked for:

Stealing an ear of corn from a neighbor's garden.

Blaspheming God.

Striking one's parents.

Peace to his ashes. So be my passing!

Resolved, That we express our sympathy to the bereaved family and ask that a copy be sent to us.

May he ever be remembered for Him who doeth all things well
