

SUNDAY IS "Fathers' Day"

...yes, Dad has one day in the year set aside in which he may be remembered for something else besides his ability to fold the bills.

Let us help you select a little gift for him that he will like... a nice necktie, for instance, a pair of silk socks, or a shirt, or pajamas. Or perhaps you will wish to give him a cool summer suit, a pair of shoes, or a straw hat.
