

### Typhoid Is Prevalent

Take no chances. See your physician and protect yourself. If you contemplate a camping vacation or touring trip, take the precaution of typhoid immunization.

### Colonial Honey Boy THANKS

To those who made our first year a wonderful success, far above our expectations. We start out in a very small way, and our business has steadily grown, and we find ourselves now in a much better position to serve you than before. So let us all pull together and help "Ma Nave's Pa's Dough."
