**THE FORD V-8**

One of the wonders of the world today. Beautiful to look at, but go to the inside and find it in detail and there you will find its wonders, and those possessed by no other car within hundreds of dollars of its price.

**REMEMBER—When you buy a Ford it has one hundred and twelve inch wheel base.**

One hundred and twenty-three inch spring base.

Even the Standard Models have safety glass all round at an extra cost, and have the same room inside as the deluxe models.

When looking at other cars, take the inside dimensions of the body, compare with the Ford, and note how much more room in the Ford.

When looking at other cars be sure to ask about the above four points.

Let us show you the New Ford Car with the electric illustrators, beautiful pictures and wonderful in perfection of detail.

**USED CARS**

One 1934 Dodge Coach with only seven thousand miles, like new.

One 1932 Ford Cylinder coach with eight thousand miles, in fine condition.

One 1933 Ford V-8 Coach in fine condition.

Two Model A Ford 1 1/2 Ton Trucks. Several low price cars.
