Local

ROSE HILL A melancholy little man was walking on the street. He showed a great deal of interest in everything around him. He looked at the trees, the houses, the people, everything. He looked at the ground, the sky, the clouds, the stars. He looked at the earth, the water, the fire, the air. He looked at the sun, the moon, the planets, the stars. He looked at the universe, the whole world. He looked at the life, the death, the resurrection, the new life. He looked at the hope, the faith, the love, the peace. He looked at the joy, the happiness, the contentment, the fulfillment. He looked at the meaning, the purpose, the destiny, the destiny.
