TUXEDO
Starter and Growing Mash

It's baby clock time and you will need Tuxedo Starter and Growing Mash to insure healthy, quick growth, fully matured fowls. It makes 2-pound broilers in eight weeks.

Tuxedo Chop
This is the best all-purpose feed on the market. For your work horses it can't be beat. For cows and sheep it is equally as good. It is one of the best sellers we ever had. Call for a sack of Tuxedo Chop.

Tuxedo Dairy Feed
Cereals Sweets leads the list of all Dairy Feeds. It is a real milk manufacturer. It not only increases the flow, but it improves the quality. It is really the cheapest dairy feed on the market.

Tuxedo Egg Mash
There are hundreds of people with hundreds of hens who are not getting any eggs. This is not as it should be. A few loads of Tuxedo Egg Mash will convert those expensive broilers into profitable producers.
