FROM OVER THE LINE

(By J. W. Rogers)

We were glad to meet Mrs. Ermine Ritchie and daughter from "over the line" in Nicholas county recently, but sorry to hear when we our good friend, Rev. Corbin Snapp, is ill. We wish for him speedy recovery.

Somebody said long time ago, "A Horse! My Lord," "My Kingdom for a horse!" Lately, King Edward the VIII said "A woman! My Kingdom for a woman!"

We do not think it unfair and discriminating to require school teachers to take "Loyalty Oaths," when we think of the position and duties to and future citizenship they hold. They are a powerful force in moulding public opinion. No other groups of public employees can compare with them.

In 1880 a Pan-American Congress at Washington, D. C. represented by more than three score delegates, recommended that all disputes and difficulties be settled by arbitration. In 1906 the Inter-American Peace Conference at Buenos Aires, South America, represented by 21 Republics, recommended a united Pan-American war front. The keynote of President Roosevelt's "Good Will" is his famous address there, was "Each of us has learned the glories of inter-dependence. "Let each of us learn the glories of inter-dependence."

Congratulations to Mr. E. Neville Pumphrey recently got married. We think of him as of a high class of young men, who worthy to marry the "woman he loves." Glorious thought, but sad to say, we have lost his wife Miss Edna S. Call.

Congratulations from an adult education lesson: "Do you know your own country?" "How many States?" "Population?" "Border countries?" "Number of Counties?" "Number of improved roads?" 6. First improved road in your county?" "Oldest church?" 9. Why was county so called?" 10. Former name of county seat?" 11. Agricultural agent how long?" 12. County seat and why so named?" 13. School attendance officer?" 14. Amount spent last year for schools?" 15. Value of taxable property last year?" 16. County tax rate?" 17. Industrial spots?" 18. Number of world war soldiers from county?" 19. How many school children?" 20. Number of Parochial schools?" 21. Number of Fiscal court members? 22. First county court?" 23. How many automobiles?" 24. First county school Supt?" 25. Oldest person living?" 26. First cripple?" Last toll bridge? 28. Number of persons over 100 years old?" First high school? 30. Furnished stone in Government building?" 31. Set for first set of correct answers."

WINTER SONG

(John Ritchey)

The cornstalk leans in snow,
The vine inhabits white;
The world parts lips to quaff
This cold ambrosial light.

Mark where the black swan sailed
The willows mutely stir
With unseen winds grown chill.
Sh, she whisperer.

Forsakes the frozen land
Where once green petals thrust;
Mt. Is winter's best ot—
To rescue them from dust.

Yet, in an early hour,
The bird, the bud, the leaf,
Will wake and discover
The fallacy of grief.

The Christmas program will be given Sunday evening at 7 p. m. All are invited and urged to be present for this service. We will have "White Christmas" and all gifts will go to make up baskets for the needy. Everyone is asked to bring a potato or potatoes. Christmas should be a great time of giving—giving of ourselves for ministries—for the world's salvation. Only by giving do we live. Christ is the Living Gift. Isaiah knew that in his government and days and victories as immanuel he would wonderfully increase men's joy, and the total amount of joy in the world. That may well be given emphasis at this Christmas season.
