Earthquake originating deep in the earth offer new proof, so Prof. H. C. Conant, of Johns Hopkins University, believes from medium powers on apparatus discovered at Georgetown University -

A drug which arouses persons from comatose produced by overdosing of sleeping poisons has been discovered at Georgetown University School of Medicine.

DISPELLING THE FOG
By Charles H. Mahabon, Director of Publicity, Democratic National Committee

There was no escape from the logic and implication of the Smith political position, so the best that could be offered in return was that Senator Thomas J. Walsh, who had been the author of the bill, should be removed from the party.
