VOTE FOR BECKHAM
FOR SENATOR

John Crepps Wickliffe Beckham.

HIS IS A RECORD OF SERVICE TO KENTUCKY

John Crepps Wickliffe Beckham has always been a liberal progressive in politics. He became Governor of Kentucky at the end of a slashing campaign in which the crushing domination of railroad lines, of rates and rebates favoring special interests and sections were the issue. It may not be known to younger Kentuckians that Governor Beckham, after a hard fight, broke the grip of a text-book monopoly of the school system and established State prices and a standard for the children's school books.

Governor Beckham centralized the control of State institutions which had been operated by separate boards. The entire tax system was revised during his two terms and 51 per cent of the revenue was devoted to school purposes. The first teacher training schools were built. The Confederate Home was founded. Outstanding bonds were retired ten years before maturity at a large saving. Kentucky's long-standing claims arising from the War Between the States were collected by him from the Federal Government. The Capitol—a magnificent model to the thrifty management of the young Governor—was built out of current receipts. And he left to his successor a surplus in the State Treasury.

Mr. Beckham has been repeatedly honored by Kentucky and he has deserved it. He seeks now to end a career of service to his Commonwealth—a service marked by unswerving courage in maintaining his honest convictions, even in the face of political defeat. Who may say, truthfully, that such honest and unselfish service as he has given, not only to his party but to his State, should not be fittingly rewarded?

Lambs Strong On Carlisle Market

Top Ewes Bring $11.00 Here Tuesday As 2,250 Head Of Livestock Sold

Another big sale at the Carlisle Stockyards Tuesday! 2,250 head of stock went under the hammer and prices were good. Each week demonstrates more conclusively that the local stock market has become a well-established institution. That sellers of livestock are well satisfied with the market is proved by increasing totals since a sales house was established here.

Lambs sold especially well Tuesday, top ewes and wethers selling to $11 and ewes and bucks to $10.50, with mediums to $10.40 and common and light to $8.75. 1635 sheep were sold here.

Following is the range of prices received on Tuesday's sale:

Top ewes and wethers, $11.00; ewes and bucks, $10.50 mediums, $8.70 to $10.40; light and common, $6.50 to $8.50; fat ewes, $3.00 to $3.40; stock ewes, $3.00 to $7.50; stock bucks, $8.00 to $11.00.

Cattle, 196 head sold. Best heifers, $5.10 to $6.05; best steers, $5.55 to $5.90; fat cows, $4.10 to $4.85; stock heifers, $11.00 to $3.00; cows and calves, $27.00 to $36.00; bulls, $3.60 to $3.35.

Senator Donahey, Ohio, was stunned when lightning struck a boat from which he was fishing.

CITY WILL FILE SUIT ON TAXES UNPAID TWO YEARS OR MORE

Profile Map Of The Proposed New City Reservoir Is Not Completed

THREE $500 BONDS PAID

At the regular meeting of the city council Monday night it was voted to file suit in the circuit court on all taxes delinquent for a period of two years or more. There were no dissenting votes.

Surveyors had not finished a profile map for a proposed reservoir above the present reservoir so no definite action in the matter was taken. Completion of this map is necessary before the acreage required for the reservoir may be determined. The present reservoir water-line at full covers about 7 3-4 acres.

Under a law passed by the last General Assembly, it is not required of a municipality owning a water works plant to submit proposed expenditures for improvements to a vote of the people and bonds may be floted against the earnings of the plant. The possibility of Federal aid may also be considered. Federal aid is being given in numerous instances for such work.

During the past month three $500 water works bonds have been paid and the debt on the water plant is only $15,000.

Fines reported collected totaled $13.20. Balance in the general fund, $1,349.73; in the water works fund, $1,969.81 and in the sinking fund, $272.09.

Minus Only The Top Hat And Cane Mar Man Strolls Streets

A young man appeared up on the streets of Carlisle Tuesday afternoon wearing everything clothes. The outfit was almost complete, even to the wing collar and white vest, except that a straw hat topped off the ensemble.

Despite the fact that it was several hours earlier than the usual 6 o'clock deadline for evening clothes, the wearer seemed to be right at ease and went about his business as though dressed as if the mazdas were glowing.
