DEATHS

McKAY

Mr. John William McKay, 28 years old, died at the home of his mother, Mrs. Thomas H. Dallas, on East Main street last Wednesday night following a long illness.

Besides his mother he is survived by his father, John McKay, of this county; one brother, H. D. McKay, and a sister, Miss Louise McKay. Funeral services were to be held at the grave in the Carlisle cemetery Friday afternoon with Rev. R. H. Cosey officiating.

McMAHILL

Mr. John W. McMahill, a native of Carlisle, died at his home in Chicago on Tuesday, March 23, following two years illness. He suffered an attack of pneumonia which caused his death.

Mr. McMahill was the son of the late Mr. and Mrs. Seth McMahill, former merchants of this city, and he had lived in Chicago for nearly forty years. He was married three times, his first wife was Miss Mollie Mathers, daughter of the late James A. Mathers, of Carlisle. Besides his present wife, he is survived by three sons, Victor, Ray and Jack McMahill, all of Chicago, and two sisters, Mrs. Sophie M. Santee and Mrs. Jennie M. White both of Carlisle.

Funeral and burial took place in Chicago on Thursday, March 25th.

FRYMAN

Mrs. Pauline Catherine Fryman, 70 years old, died at her home in the county last Thursday following a heart attack. Mrs. Fryman was the widow of John N. Fryman, who died November 3, 1935. She was the daughter of the late Mr. and Mrs. Elisha Shoemaker.

Mrs. Fryman is survived by ten children, Mrs. J. L. Logan, of Paris; Mrs. Arthur Robertson, of Latonia; Mrs. W. M. Selby, Mrs. Stanley Lanham, Mrs. F. E. Laughlin, Mrs. Edward Hunter and Mrs. Eslie Fletcher, all of Nicholas county; Harry, Hubert and Nelson Fryman, all of Nicholas county. Twenty-eight grandchildren and thirteen great-grandchildren also survive.

Burial took place in the Carlisle cemetery Saturday afternoon with services at the grave conducted by Rev. J. J. Whitehouse, pastor of the Christian church.

HARDWICK

Mrs. Chrisonn Stewart Hardwick, 80, widow of James T. Hardwick, died Saturday morning at the home of her son, J. H. Hardwick, near Carlisle, where she had been ill for the past seven months. She was the daughter of the late Peter and Susan Stewart and was a life-long resident of Nicholas county. Her husband died several years ago and a daughter, Miss Lizzie Hardwick, died about two years ago.

Mrs. Hardwick is survived by three children, Mr. Hardwick, Mrs. A. P. McLean and Mrs. W. H. Kenney both of this county, ten grandchildren and nineteen great-grandchildren.

Funeral services were held Monday afternoon at the Christian church, of which she was a member, with Rev. J. J. Whitehouse officiating. Burial followed in the Carlisle cemetery.

NATIONAL BOYS AND GIRLS WEEK

The 16th observance of Boys' and Girls' Week is from April 21 to May 1, April 21st. This week is observed annually in hundreds of communities in the United States.

No thinking person questions that the greatest asset of a nation is its citizenship. How well it is said, one week out of the year is given over to time in which to focus attention upon a national movement to help boys and girls to their inheritance of character and service to the nation. Why not this week is concientiously observed it can in time a year-round program of boundless value. Boy's and girl's Week originated in boy's work through the interest of the Rotary Club of New York City, in 1920. A few years later the work was included by a national committee Christian Herald Association.

The local Baptist church will observe the week and a special service on Sunday, April 25, will be held. At this time the boys and girls will occupy the church, act as ushers, take the offering, read the Scripture and have other parts in the service. The pastor will bring a message of interest to boys and girls. It is hoped that other churches will observe the week for it is the Lord's command the plans for the service be his congregation last Sunday.

Churches Urged To Enlist In War For Cancer Control

Church members throughout the nation are urged by Dr. Edgar DeWitt Jones, President of the Federal Council of the Churches of Christ of America, to support and enlist in the campaign to control cancer through education. His statement, made public by Mrs. E. H. Heller, State Commander, Kentucky Division, Women's Field Army for the Control of Cancer, is as follows:

"Throughout the nation women in educational, religious, health and social club groups are actively engaged in an educational campaign against cancer, the disease that has lately been called the modern menace. Under supervision of physicians representing State Medical Societies, these women are carrying on an intelligent war to save human life.

Authorities are agreed that cancer, if it is to be cured, must be diagnosed early in the course of the disease and promptly treated by x-ray, radium or surgery. The early symptoms of cancer—the so-called danger signals—are of such nature that each person must assume responsibility for their detection and for seeking medical advice if they appear.

I heartily approve of this effort to control cancer in its early stage by thorough education and urge that all persons familiarize themselves with the facts necessary for their own protection. Because of the thousands of lives that may be saved and the great economic loss through needless ill-health and unhappiness that may be made, I cordially recommend this program for the guidance of the church members throughout the nation."

Twenty-three Protestant church denominations are now in membership of more than twenty million, are affiliated with the Federal Council.

PLANNING SURVEY OF STATE HIGHWAYS IS BEING CONDUCTED

Every Car Owner In Kentucky Asked To Fill Out Questionnaire

FIVE QUESTIONS ASKED

A steady flow of valuable information, upon which highway engineers will base their plans for type and structure of future roads in Kentucky, is gradually filling the files in the Planning and Survey division of the State Highway Department which is cooperating with the United States Bureau of Public Roads in conducting a planning survey of all highways in the Commonwealth.

A questionnaire containing five questions pertinent to this twelve months traffic survey is being mailed to every car owner in the state. The success of the entire project depends upon the interest shown by the motoring public in the return of the questionnaire prompt and careful consideration and correctly answering each of the five questions.

The questions are:

1. Residence of owner: (a) In what county do you live? (b) Do you live within the corporate limits of a city or town? (c) If you live outside the corporate limits of a city or town, where?

2. Please answer the following questions as to the use of your car yearly during regulars months: (a) Miles driven within Kentucky. (b) Miles driven last year on the miles driven in Kentucky last year.

3. Average miles per gallon of gasoline.

4. The answers to 2 and 3 are based on our: Estimates ... (b) Actual Records.

5. Occupation of owner.

Each owner of a licensed car in the state will, at some time or other in the immediate future, receive a card with those questions. No signatures are necessary nor is any postage required to return the card.

J. G. Stahl, Financial Manager of the Highway Planning Survey, declared that there has been but one instance that there has been but one instance that there has been but one instance
