Brass May Look Like Gold

and so may honestly built clothing and cheap, shabby stuff, to the casual observer. But there the resemblance ends. Men's wear costs money and prices are advancing. When you put out hard-earned dollars for a suit, a pair of shoes, a hat or haberdashery you most assuredly want your money's worth. You get your money's worth in standard, time-proven brands of wearing apparel for men at "The Home of Better Clothes".
