Learn Why Pullets Fail To Lay Well

There have been many reports of pullets that do not lay well. This is due to many reasons. The first reason is that the pullets are not getting enough food. The second reason is that the pullets are not getting enough exercise. The third reason is that the pullets are not getting enough rest.

The Joy Of Living

Bells, bolls, packages, memories, smiles and joys—this is Christmas. Good friends and kin are all at once a part of joyful life. It is good to live and give.

This for brother and that for Mother with all the tingling satisfaction of selecting well and knowing that the Christmas seal hides a host of pleasures.

The pleasure of giving and receiving jewelry will not be momentary, but will last and grow with increasing pride in its sheer beauty and faithful service as a precious gift.

PITMAN'S

JEWELS OF Quality

Try This--Next Time You Are Sick

WRITE down your symptoms and send them (cash with order) to a doctor a hundred---or a thousand---miles away. In due time you will receive your medicine---if you still need it. Ridiculous---isn't it?

When you're ill you want service--quick service, personal service, friendly service, interested service, known, efficient service--and you call in one of our good home town physicians.

The same principle applies to every dollar you spend --- and you want a dollar's worth. Who is so interested in giving it to you -- as the home merchant, the home doctor, dentist, or anyone with whom you deal at home? There is no substitute for face-to-face dealing.
