12 TIMES MARRIED

Prud of the fact she's been wed 12 times in 18 years, spanning 47 years of her life, exhibiting a husband and a wife in each of the 12 marriages, she is a woman of unusual experience. Her first husband was a man named James, who died in 1890. She has since been married to 11 other men, each of whom she has outlived. Her latest husband, a man named John, died in 1935. She is now 78 years old and lives in a small town in Kentucky.

THE GARDEN

By John S. Gaudin, Kentucky
The garden is a place of beauty and interest. It is a place where we can find peace and tranquility. It is a place where we can find joy and happiness. It is a place where we can find love and affection. It is a place where we can find life and hope. It is a place where we can find everything we need to live a good life.
