Don't Be Misled—

By cheap Turkey Fed at 15 to 20 cents a hundred less. Turkeys Fed Red Comb Turkey Grower will bring 2 to 3 cents more than those fed cheaper feeds.

As the turkey becomes a more year round bird the consumer, the plumpness of quality conformation, juiciness and flavor of meat, the fat it gives the birds, with length of breast development. Many turkey growers make the serious mistake of limited feeding during the year growing period, resulting in late maturity and poorly finished birds.

Red Comb's many years of leadership in the production of superior market quality turkeys and eggs shows up to the mutual satisfaction of both grower and consumer of Red Comb quality turkeys.
