Get Your Hogs Ready for the September Market

It means money in your pocket if you do, for there is almost sure to be a seasonal drop after that time.

HOW CAN YOU DO IT?

That's easy to answer. Start today feeding Pioneer Hog Feed

100 pounds will produce more pork than a barrel of corn. The best and most economical feed for your hogs.

There is an immense shortage in the turkey hatch this year and all indications point to a short crop with higher prices this winter.

NO WORD OF WAR

(Baltimore Sun)

I could not find a word of war in any of the papers I read this week. Not a trace of the battle's roar. Nothing that spoke of hate or of the things that go on in the world.
