An Epoch In The Business History Of Carlisle And Nicholas County

A little over a year ago the first sales of the local livestock market were held. The market was an immediate success...

The weekly sales save stock raisers in the section of expense of a long haul and they benefit directly or indirectly every business man in the county.

With the beginning of the second year of this valuable local industry, every farmer in the county, every business man in Carlisle should constitute himself a loyal booster for the Carlisle market.

Sales Are Held On The Carlisle Livestock Market Each Tuesday
