

THE GARDEN

By John S. Gardner, Kentucky College of Agriculture
Early potato planting time is approaching...

ing time, labor, land and fertilizer. The way to insure these four items is to use more but certified seed, but making sure always that what is offered is truly and genuinely certified...

THE NEW DEAL TO THE MIDDLE

(Courier-Journal)
Again, in a time of disaster the high humanitarian note of the New Deal is heard at Washington...

staring citizens nevertheless are risks as most as mild for hours which with which they will rebalanced themselves as well as the section...

Notice of Sale in Equity...

FRIDAY, MARCH 12, 1937
At 1 o'clock in the afternoon on the premises of the late Mrs. W. H. Davis, deceased, the following described real estate...

THE Man of Wisdom
He is a man who does not grieve for the things which he has lost, but grieves for those which he has not gained.
Thoughts of Good People
The thought of some people lies in the clouds of the sky, and they think of us as to ask them to pray for them.
