The lesson for April 12 is on the topic of citizenship. It covers the rights and responsibilities of citizens, including voting, jury duty, and community service. The lesson includes information on how to become an active and engaged citizen.

Cooperation of Two Agencies Is Helpful

The cooperation between the Kentucky State Highway Department and the Government's Works Progress Administration is proving a boon to the secondary and feeder road systems in approximately 75 per cent of the counties in the state.

What's better to bed depends

What's better to bed depends on the type of soil and the climate. In some areas, a soft bed is preferred, while in other areas, a firmer bed is preferred. It is important to choose the right bed for your needs.

Shame-bested beds are used

Shame-bested beds are used in some areas of the state. These beds are made from a mixture of soil and straw, and are used to provide a soft and comfortable surface for bedding.
