Pat and Mike may look alike

and so may loosely built clothing and cheap, shoddy suit, to the casual dress. Yet but there resemblance ends. Men's wear costs money and prices are advancing. When you put hard-earned dollars for a suit, a pair of shoes, a hat or haberdashery, you must assuredly want your money's worth. . . . You get your money's worth in standard, time-proved brands of wearing apparel for men at "The Home of Better Clothes."
