Made for Quality Tobacco
From plant bred to wear-
back a grower farmers
thing possible to insure
tobacco quality. You
want light colored, fine
textured leaf, to your
crop will command the
price that prime quality
brings. And whatever to
back a grower farmers
know that Armour's Tobacco
produce that kind of tobacco.
The records of results secured with Armour's Tobacco Fertilizers, year in and year out, are right. They furnish a complete, balanced ration of the plant foods tobacco needs. They stay with the crop, feeding it throughout the growing season and help to bring early maturity and maximum leaf weight and top quality.

HELPLESS HINTS
To remove papillation stains, get them washed with water and soap. If they are stubborn, use a toothbrush with hot water, scalded, dried and washed in warm water. Never use soap on white silk. The soap should be washed in the water before it is used.

30,000 Pounds During May
We sold 30,000 pounds of Red Comb Turkey and Chicken Starter during the month of May. There is coming in now a fresh shipment of these birds that have proved their worth to many growers of poultry in Nicholas County.
