Prominent Local Couple To Marry

Wedding At An Early Date

Bob and Betty are sweethearts
And Carlisle is their home
And all about their wedding
I'll tell you in this poem.

Now Betty's very pretty
Has clear skin and pretty hair
And the **Gaffin Beauty Shop** of Carlisle
For both of these will care.

They've already picked their furniture
And very wisely chose
The lovely **Wheeler Furniture Co.** of Paris
Where everybody goes.

With the **Lexington Laundry's** experience
And their fine, modern plant
Bob's duds in the line of laundering
That other laundries can't.

Of course **Howard and Heafey** of Lexington
Will supply the bride's bouquet
Other firms don't arrange their flowers
This firms artistic way.

They'll go to **Smith's Service** Station
For Standard Oil and Gas.
For peppy, smiling service
Here's a place with class.

They'll buy all their foods at **Verna Stone's Grocery and Meat Market**,

Cause its a home owned store,
This means their getting quality
And their money buys much more.

Bob's a classy dresser
And always looks real well
He buys his suits at **Lerman Bros.**
That's why he looks so swell.

Betty'll buy **Carlisle Mill and Supply Co.** white Rose and White Cross Flour
Cause they're easily the best
Betty ought to know
For she's tried the rest.

Bob'll buy a beautiful dress
From the **Youthful Modes Shop** for his bride.
If you wish to get a pretty dress
The Youthful Modes Shop should be tried.

To save Betty cooking worries
They'll go to the **W. C. A.** Cafeteria in Lexington for lunch
The food there is the best in town
And they meet the nicest bunch.

The **Scott Cream Station and Poultry House**
Was very wisely picked
To buy Bob's cream and poultry
Cause their prices can't be licked.

(Watch for Bob and Betty next week).

MAY'S GRACIOUS GARB

(Shaemas O'Sheel)
Under a budding bridge I hid
While April rain went by.
But little drops came slipping through,
Fresh from a laughing sky.

A many little scurrying drops,
Laughing the same as they sing.
Soon found me where I sought to hide,
And pelted me with spring.

And I lay back and let them pelt,
And dreamt deliciously
Of hasty leaves and lady-blossoms
And baby-buds I'd see.

When April rain had laughed the land
Out of its wintry way,
And coaxed all growing things to greet
With gracious garb the May.
