Family Reunion

A family reunion was held at the home of Mr. and Mrs. H. C. Galbraith, Sunday. Those present were: Mrs. H. R. Sale and two daughters, Edna Ray and Alice Gene, of Dam 49, Union town, Ky., Mr. and Mrs. Stanley Galbraith and son, James, and daughter, Anne, of Cynthiana, Mr. and Mrs. A. V. Allison and daughter, Patsy Ruth, and Mr. and Mrs. H. C. Galbraith, Jr., of this city and Mr. Milton Galbraith, of Wallins, Kentucky.

Tobacco Crops 4 Per Cent Less Than 1937 Crops

If this year's tobacco acreage turns out yields of the size indicated by the July 1 condition of the crop, the 1938 tobacco production will total close to one and one-half billion pounds, according to the Bureau of Agricultural Economics.

For the country as a whole—a tobacco crop of a little over one billion, 496 million pounds is indicated. That is almost four per cent less tobacco than was produced last year. But about 13 per cent more than the 10-year average for all tobacco.

The flue-cured areas indicate about six per cent less flue-cured tobacco this year than they produced from last year's crop. But 16 per cent more than the 10-year average for flue-cured.

Fire-cured growers may turn out about nine per cent less fire-cured this year than last, and 23 per cent less than the 10-year average for fire-cured types. Fire-cured acreages were cut this year about 10 per cent compared with last year's plantings. But yield projects for fire-cured are a little more favorable than a year ago.

This year's burley acreage is 3 per cent bigger than reported a year ago. But burley production for the year is indicated 1.2 per cent smaller than last year's production in spite of the larger acreage.

Last year's burley crop was much larger than the 10-year average, and this year's burley crop, if it does turn out as big as indicated by the July 1 condition, also will be about 26 per cent larger than the 10-year average.

Growers of Maryland type have not planted even as much as they have this year than last. With the larger acreage and prospects for better yields than last year this year's production of Maryland may be about 15 per cent larger than the above-average production of last year.

Dark air-cured growers cut their plantings this year about 16 per cent from last year's acreage. Production of dark air-cured is expected to be about the same acreage. And is indicated about 16 per cent smaller than last year's production of the 10-year average types.

Cigar tobaccos this year have been planted on an acreage totaling about nine per cent over last year's acreage and about the same. The production prospect for this year's crops of cigar tobaccos indicates an increase of about 15 per cent over last year's production of all cigar tobacco. But seven per cent below the 10-year average. By types, this year's plantings of cigar tobacco—compared with last year's acreages—have been increased one per cent for filler, 16 per cent for binder, and eight per cent for wrapper.

Rev. Cousey Writes Of His Trip Abroad

Editor's Note: Rev. Mr. Cousey is at present taking a trip through the Holy Land and his impressions are recorded here.

Aboard Sphinx
Saturday

Dear David and all:

Egypt!—We land this afternoon in the land that has played such a great part in the history of mankind, where we look to the city of Jerusalem, the ONLY Metropolis we first translated into another language from the Hebrew into that of Aleph of Joseph, and Jacobs family and the land of bondage and finally to the land of Canaan. Where we got our Bible from pagan Herod. It all started here on us.

The boat trip across the Mediterranean has been wonderful. I have never been better and I haven't been sea-sick yet. I have to make 3 more trips and I shall have been an education in itself. Coming from almost every land I have met a wonderful black Christian from India to Aruguay. Representative fine people, men who have been studying in France and England. Two of them seem to think very much of several in Carlisle and I have asked them about Christ. They seem to long for something.

Wednesday we will be in the Holy Land and in Jerusalem the following morning. We have been studying and Dr. Adams' lectures have so well prepared for what we shall see.

I am thinking of you all and praying for you. I haven't heard a word since the steamer letters at New York but I know everything is going on in a fine way.

God bless you and keep you until I get home.

Your pastor,
H. Cousey

Tuesday, July 7
Hotel Fast
Jerusalem

Dear David and all the church:

These have been great days. The Bible really lives for us in this land. This afternoon we went to the beautiful Y. M. C. A. building and saw Jerusalem from the highest point. The passage "As the hills encompass Jerusalem round about, so doth the love of God surround His children" really lived for us.

The day ended with beautiful organ music in the Y. M. C. A. chapel. The organist played "Hallelu-Largo" on the 250,000 organ so you know what that meant to me.

It has been a great trip in every way. We have had to alter our trips some on account of the trouble, but we have never been molested in the least. We feel safe and feel that our heavenly Father is caring for us.

We leave Jerusalem at six in the morning to go to Jericho, the Dead Sea and on to other places.

We have been to the place of the birth of Jesus, Place of trial and crucifixion, the road to the cross, the pool of Siloam and many places.

A young man from India that I met on the boat just came in and I stopped to talk with him. We met on the boat coming over the Mediterranean.

I trust that things are going well at home. Do not worry about me. We will be safe and home in due time.

Love,
Your pastor.

It's Time To Choose?

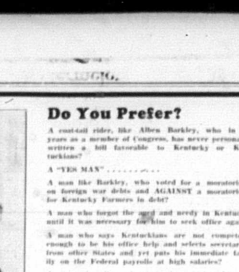
The man best fitted to represent Kentucky in the Senate of the United States . . . . .

DO YOU FAVOR

A man, like GOVERNOR CHANDLER, whose achievements prove his ability? . . . A man like GOVERNOR CHANDLER whose accomplishments, such as: the finest highway system in the history of the State; the outstanding Rural Electrification program in the Nation; A State virtually assured of being free from debt. A Reorganized State Government which assures Kentucky of a brighter future; increased school per capita; Free Textbooks; Old-Age Pensions; Reliable and Rehabilitated State Institutions; Legislation favorable to the farmer, the veteran, the laborer, the businessman, the needy and to ALL KENTUCKIANS;

AND FURTHERMORE:

A man who has been a FRIEND TO THE PRESIDENT AND A MAN WHO CAN BE TRUSTED TO GET FOR KENTUCKY, THAT WHICH IS KENTUCKY'S, and not allow this Commonwealth to be discriminated against in Federal Legislature . . .



Do You Prefer?

A cool-cool rider, like Alben Barkley, who in 20 years as a member of Congress has never personally written a bill favorable to Kentucky or Kentuckians?

A "YES MAN" . . . . . .

A man like Barkley, who voted for a moratorium on foreign war debts and AGAINST a moratorium for Kentucky Farmers in debt?

A man who forgot the aged and needy in Kentucky until it was necessary for him to seek office again?

A man who says Kentuckians are not competent enough to be his office help and selects secretaries from other States and yet puts his immediate family on the Federal payrolls at high salaries?

A man who allows discrimination against his native State in the Federal Legislature?

IS YOUR CHOICE

A man who has given himself into the hands of Tom Rhea, Bolden Gibson and Ruby Laffoon?

A man who is trying to trade good Kentucky Government for re-election by a SALES TAX GROUP!

APPROVE GOOD GOVERNMENT

Origin of "Red Tape"

Red tape, as the popular name for official and legal formality and delay, originated in England during the Eighteenth century and arose from the custom of tying documents in red tape. The custom of tying up papers in such tape dates back several centuries. However, the use made to it as an advertisement printed in a London paper published in 1665. Sidney Smith did much to popularize it in the satirical sense. Such a word was just what the common people wanted with which to ridicule the delay of government business. It was simpler than the ordinary man, impatient for action on his particular case, should ridicule the tying and untying of red tape which bound the dispatch and documents cases.

Across Lake Erie

Lake Erie comes to a point at Toledo, Ohio, but a line drawn in a northeasterly direction from Toledo across to Canada measures approximately 29 miles, according to the office of the United States Engineers. Also, according to the Engineers' office, the distance across Lake Erie from Cleveland is approximately 54 miles; from Erie, the distance is approximately 36 miles. The deepest place in the lake is 210 feet. This is about 25 miles north by east of Big Cliff Long Point. The average depth of the lake is about 70 or 75 feet.

The Pitcher Proverb

"The pitcher goes so often to the water that it is broken at last." This is the form in which the English proverb is generally quoted. It belongs to the common folk saying of several nations. The most famous expression in literature is in Cervantes' "Don Quixote." "As many times the pitcher goes to the fountain!" Meaning that it gets broken. But the same proverb is found four centuries earlier in a French writer, Gautier de Coinci.

Rabbit Teeth Grow Rapidly

The front teeth of the rabbit grow so rapidly that they have to be worn down regularly by gnawing tough, hard substance. When a tooth does not meet its upper or lower companion, says Collier's Weekly, its mate keeps growing until the animal can't close its mouth. Some years ago a rabbit was discovered with a tooth that had grown so far in a curve that it had entered the animal's neck.

It is estimated that China's 350,000,000 bena lay 20,250,000,000 eggs annually.

A cow that weights 1,200 pounds and produces 40 pounds of milk daily requires about two ounces of salt per week.

Green feeds are an important source of necessary vitamins.

The Department of Agriculture plans to divert surplus hops into fertilizer and mulch.

Hens that fail to respond to good feeding and management during the summer should be disposed of promptly.

On January 1, 1938, the number of horses on farms was estimated at 11,163,000 and the number of mules at 4,477,000.

Only 47 per cent of the fluid milk produced in this country is pasteurized. In 1936, 42 epidemics causing 28 deaths were traced to unpasteurized milk.

PERSONALS

Mr. and Mrs. C. J. Frey and Mrs. William Frey were guests of Mrs. J. T. Pyland and Mr. and Mrs. Tyers in Mt. Sterling Wednesday. Mrs. H. Crutchfield remains with the sick.

Japanese and Russian troops engaged on the Siberian border in a fierce battle which is also war between the two countries.

"We are shaped and fashioned

Vote For Thomas Burchett Democratic Candidate For Congress

Thomas Burchett

Mr. Burchett's qualifications make him the logical candidate for Congress. He is a graduate of the University of Kentucky Law College and has practiced law actively for the past seven years, during which time he served as County Attorney of Boyd county for eight years, declining to run for a third term.

He is an apt speaker and an able debater which will enable him to properly take care of his District on the floors of Congress.

His wide experience in many walks of life has assisted him in with the problems of all classes. Having been reared on a farm, he learned to work. Having worked his way through school he learned the hard knocks of life. Having worked as a laborer in railroad yards and steel mills he learned the needs and problems of the working man and will deal fairly with them on all matter of legislation. As a lawyer and County Attorney he has learned the problems of all classes. Having been a teacher he learned the problems of the schools. Being a World War Veteran (serving as a private) he knows the needs of the disabled ex-service men, their widows and orphans. Having fought for his country he has its best interest at heart.

He fought his way to success and will fight for the best interests of all classes. All he asks is a chance.

He is making his fight upon his own merits and is taking no part in the senatorial fight. He will support the President and fight to bring back better times, more jobs and better conditions in the 8th district and the country.

He invites you to carefully scrutinize his life as a citizen and public official and compare them with all other candidates.

He will appreciate your vote and influence.

THE CARLISLE MERCURY

VOLUME LXXII. ESTABLISHED 1867 CARLISLE, NICHOLAS COUNTY, KY., THURSDAY, AUGUST 11, 1938 NUMBER 32

WORK IS BEGUN ON LOWER JACKSTOWN FOUR-ROOM SCHOOL

County Is Footing Cost Of Building $15,000
4-Room School
FINISHED IN NOVEMBER

Excavation work for the new Park Consolidated school on the Lower Jackstown pike has been started by Ed Lyon, contractor of Mt. Sterling.

W. T. Confection and Company, Lexington, are the builders of the new school.

The four-room building, which is of brick construction throughout, will rest on reinforced $15,000.

W. T. Confection and Company will also erect a two-room building and two-room building for the negro school.

Nicholas county is footing the cost of the building, which is expected that the students will attend school in the new building by the time the term opens after school completion is possible.

Members of the Nesbitt grades will attend classes there and three teachers will be employed for the term. The instructors include Mrs. Mary Ellis Hinton, Mrs. Mary Lee Ellis Huddleson, Mrs. Taylor and Mrs. Parks.

Parks and Judy school and Taylor's Creek schools will be the only schools in the county.

Present construction plans include provisions for enlarging the building at some later date, if necessary.

When the school is completed, school will be held in the old building.

"Error" Corrigan Is Back At Home

The Famed "Wrong-Way" Pilot Is Given Rousing Ovation In New York

Surrounded by thousands of admiring Irish Americans waving Irish flags and wearing the traditional Irish green, Irish young Douglas Corrigan, principal of a wrong way flight to Ireland last month took off the world propeller returned to his home-land last week wearing his traditional Irish garb.

Hundreds of thousands of persons lined New York streets and cheered the young aviator sound by while tons of ticker tape floated down upon his head from the tall buildings flanking the streets upon which he rode after his record-making flight in 1927.

Back home, Corrigan indicated he would accept one of the hundreds of lucrative offers proffered him by company's anxious to get his support.

Luncheons welcoming ceremonies and a dinner tendered by the young pilot on his first day back in the U. S.

"Mickey" Cochrane Fired By Detroit Tiger Club

Out as manager of the club he managed since 1933 and who has guided to two pennants and a world series championship, last week was Gordon Stanley "Mickey" Cochrane, ace catcher of the Detroit Tiger's American League baseball club.

Cochrane's dismissal was announced by Walter O. Briggs Sr., owner of the Tigers, who said that Del Baker's contract with the club for a number of years, had succeeded Cochrane.

The ace catcher's salary, guaranteed him under contract, will be paid him, said Briggs, who, however, refused to make public his reason for dismissing Cochrane except that "it is for the good of the club."

Cochrane, whose enviable record as player-manager was in a serious slump this year because of his slow recovery from a fractured skull last year, said he would take a vacation for a while.

THANKS EXTENDED

The Chandler Campaign Committee wishes to take this method of extending its most hearty thanks and appreciation to each precinct worker, to every participant in our cause, and to the electorate of Nicholas county for their splendid cooperation in efforts in the past primary election.

Our candidate, Governor Chandler, met defeat with the same smile and sportsmanship that he has welcomed his many victories.

It is our sincere desire and earnest appeal that each Chandler supporter join the victorious ranks of Senator Barkley in united Democracy to Send Senator Barkley back to Washington with the greatest landslide of his political career.

Stockyard Has Extra Good Sale

Choice Ewes And Wethers, Top Yeals Get High Price

The Farmers Stockyards Company at its weekly sale Tuesday disposed of a number of top veals for an average of $10.15 per hundred. Mrs. H. Crutchfield remains with the sick during the day for this week's sale.

In the choice ewe and wether class, a pen of five lambs sold for a top of $7.30 and one of the highest in the state.

A pen of 23 head was disposed of at the sale. Buckeye's averaged 92 lbs. and sold for $7.30. Their owner, Lee Buckeye, has been feeding them for the past 60 days.

Other sales: 125 steers $7.25 to $8.25; 6 heifers $5.50 to $7.25; 2 bulls $6.50; 2 stags $5.50; 2 cows and calves $42.00.

Standard started out with three hits and scored seven runs in the fourth, one in the fifth and 2 in the sixth for a total of 17, while Bardstown got two in the first and one in the third and one in the sixth for their total of eight runs.

Pepper's errors, coming at the most inopportune time, helped the losing National Guardsmen for a total of 3 hits, while an added run was picked up to supplement the C. C. C. pitching, but flatly to the powerful Sinclair Oil team of Lexington by a score of 18 to 7.

Scheduled Friday night is a game between Moorefield and Standard Oil, and a game between Gulf, aided by additions from other teams, against the strong Bluegrass Bread team of Maysville in the second half of the bill.

Next Tuesday night Gulf meets Pepper and Moorefield meets the C. C. C. team.

Team standings are as follows:

Team	Won	Lost	Pct.
C. C. C.	3	0	1000
Standard	2	1	.667
Nat. Guard	2	1	.667
Moorefield	1	1	.500
Pepper	0	2	.000
Gulf	0	3	.000

Leading Batters

Player	Team	A.B.	Hits	Pct.
Ramney	Standard	42	19	.452
McCarty	Moorefield	26	11	.423
Jacobs	C.C.C.	44	18	.409
Hash	Pepper	22	9	.409
Gaines	Moorefield	32	13	.406
T. Gaines	Standard	38	15	.395

Maysville Cotton Plant Workers Out On Strike

Union textile workers at the Janney and Woods Cotton Mills in Maysville Monday walked out on a strike of a 12 1-2 per cent wage cut, the second in a year, following the refusal of the company to negotiate a new contract with the company.

A picket line of workers was set around the plant by Ben Morgan, president of the local union and Textile Workers Organizing Committee, C. I. O. affiliate, said the full membership of 172 workers of the 1600 Worsley Fair, plus 295 persons, mostly women.

The towns population joined in the merriment of the occasion, Monday and when the whistle blew for the start of a five day week, a loser of a freak election bet made last several weeks ago with Bob Makemson, local theater manager.

Barkley Takes Vacation, Keeps Destination Secret

(AP)—Senator Barkley said he was leaving Paducah Tuesday for a vacation of two or three weeks.

Other than that he would go from Paducah to Louisville by train, Barkley, who was renominated in the Democratic primary Saturday, defeating Gov. A. B. Chandler, said he had not decided where he would go.

He said Mrs. Barkley would join him within a few days.

Barkley said he had cancelled reservations made on a European steamer leaving New York Wednesday because he could not reach there in time.

However, he would not say definitely that he was not going to Europe.

Seventh Car Phosphate Expected Here Daily

The seventh carload of triple super-phosphate to be used this year by Nicholas county farmers is expected daily, H. T. Jones, Nicholas County Farm Bureau president, said Monday.

The present carload will bring the total number of tons ordered and used locally to 201.55, he said. Approximately 30 farmers are sharing in this load.

All persons who have not secured their phosphate yet and who desire to do so should order it at once through County Agent Ralph J. Matson, he said, or they will be unable to procure it later.

Future Farmers Leave On Tour

Will Visit Mammoth Cave, Bardstown, G. E. Leon and In Chaire

Eighteen Nicholas youths, members of the Future Farmers of America, left Tuesday morning on a special bus for the annual organization trip through the state.

Under the direction of G. E. Leonard, Smith-Hughs teacher at Carlisle high school, they will visit such places as Mammoth Cave, Hodgenville, Bardstown, Ky. E. A. state camp at Harding, being used presently by several other places.

The group is scheduled to return here on Friday or Saturday.

Those going include James Willson, Paul Donovan, Jr., Ernest Lloyd Stephenson, Bet Humphrey, Keith Hutchings, Marvin Kenny, Walter Robbins, Joe Dan Cook, William Cain Hamilton, Hemphill, Sam Gunnell, Harold Rogers, Glenn Bosch, Scotty Grey, Garvin Smith, Frank Lucy.

Barkley First To Have Three Full Terms

When Alben W. Barkley returns to the United States Senate next January, he will become the only Kentucky Senator ever elected to three full terms—consecutive terms.

Only one other Kentuckian, according to the Courier-Journal, ever served three full terms—but consecutive ones. This was C. B. Blackburn, elected for two terms (1886-1897) and one for a third, term, (1901-1907). Henry Clay and John J. Crittenden both served in the Senate on four occasions, but Clay had only one full term. Crittenden, finally, on other occasions, they filled unexpired terms.

Ex-Governor Dies At Home In Union

James D. Black Succumbs To Pneumonia After A Short Illness

A cold taken while campaigning earlier this summer for Senator Alben W. Barkley last week caused the death of James D. Black, 88, former Governor of Kentucky, at his home in Barbourville.

Influenza and later pneumonia developed from the cold, necessitating his being placed under an oxygen tent for the last three days of his life. His death came unexpectedly at the Worley Farm and as Lieutenant Governor.

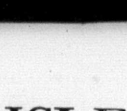
He served as Governor when A. O. Stanley resigned the governorship to run for U. S. Senator.

During his life, he was active in educational and fraternal circles, serving for various periods in both types of work.

Burial was held Sunday. His widow, two sons, a daughter, and two nephews survive.

WINNER - - LOSER

SENATOR ALBEN W. BARKLEY



GOVERNOR A. B. CHANDLER

4-H Boys, Girls Win Camp Awards

4-H Club Members Return From District Meet At Morehead

Twenty Nicholas girls and 10 Nicholas boys, all members of the 4-H Club organization, returned last Saturday from Morehead where they attended the annual five-day district encampment of the organization.

Under the direction of Ralph J. Matson, Nicholas County Agent, and Mrs. O. B. Gaffin, Jr., Miss Pauline Judge and Miss Edna Huddleson, the boys and girls took extensive courses of study ranging from music to handicraft.

Glenn Clay, of the county, was awarded a silver medal for being one of the star campers of the meeting, while Alice Earlywine, Gladys Smith and Carl Ishmael were awarded ribbons for being star campers.

The delegation this year was the largest in the history of the Nicholas organization, Mr. Matson said. He expressed appreciation to those persons at Morehead, connected with the college where the encampment was held, and to the businessmen, all of whom extended every courtesy to make the camp a success. There were 350 persons at the camp, representing 12 counties, and each person was given every service by the Morehead people that was possible, he said.

Chandler Drops Plans For Trip To Europe

Gov. A. B. Chandler will leave Thursday for "the North woods and a fishing trip" and will be away about three weeks, he said in announcing that he had abandoned plans for a vacation trip to Europe.

Governor Chandler said he would be accompanied by Mrs. Chandler, State Finance Commissioner Jim Talbott, State Purchasing Commissioner Marion Howard and Judge and Mrs. Brady Stewart of Paducah. Judge Stewart was state campaign manager for Governor Chandler in the latter's unsuccessful race for the Democratic nomination for United States Senator.

"We are going north of the lakes but I don't know just where," the governor said in making known his vacation plans. "The fish are supposed to be biting up there and I'm going after them."

Tobacco Crops Hit By Disease

Blackfire And Wildfire Hits The Dark-Fired, Burley Tobacco

General Kentucky's bumper burley tobacco crop is being seriously threatened by blackfire and wildfire due to excessive rainfall in the area, it was reported this week.

On the basis of 1937 returns, this loss is expected to reach $2,000,000, it was stated.

Further, there was some talk that the government would cancel any over-production penalties.

Last year, the dark-fired crop brought $6,000,000 and the burley crop brought $60,000,000. Premature cutting to check the plant disease is going on in many counties, the report averred.

Nicholas Fiscal Court Awards Heating Contract

The Nicholas County Fiscal Court met last Wednesday at the court house and awarded to Charles B. Cooper a contract to furnish a boiler heater in the court house for a sum of $800.50.

The bids, several of which were submitted, were opened by the court members at the meeting.

The court ordered the court house clock redesilized and gave $35 for accomplishing this. Judge D. M. Curry was authorized to borrow $1,000 to place in the general expense fund temporarily.

The county road engineer was authorized to purchase a 550-gallon fuel oil tank and pump by the court.

Nicholas County Clerk John P. Sugg was instructed to issue a voucher for judgment costs and interests in the case of George Waugh against Nicholas County, for right of way on the Jackstown road.

The usual road and bridge claims were approved, several claims were allowed and other routine business transacted before adjournment.

Community Play Night Set For Thursday

Robert May, instructor at the city playground, announced that the regular Community Play Night at the Carlisle Softball League field will be held at the usual time.

Last Thursday's session was rained out. Ellisville will send a softball team here to play, May said.

GUARDSMEN DEPART

Under the direction of Captain Grimes Cyrwood, the Howitzer Company of the 149th Infantry, National Guard, left Carlisle Sunday morning at 9:30 a. m. for Fort Knox, Ky., where they will be for two weeks training. Approximately 50 members of the company made the trip.

THANKS EXTENDED

In a letter at large, W. T. Parker, Barkley county chairman, Wednesday expressed his thanks to supporters who aided in the campaign.

"The campaign is over and I want to extend my profound appreciation to the Senator Barkley's supporters in Nicholas county and to Allie Clinkenbeard, county chairman of the Young Barkley Club; to Mrs. A. T. Gardner, chairman of the Women's Barkley Clubs; to Mrs. Oliver Curry, of the Young Women's Barkley Club, and to the many other Barkley supporters who generously gave of their time and labor in aiding in his election. Their loyalty to duty and convictions to the party are duly appreciated. I thank you one and all."

(Signed)
W. T. Parker, Chairman

GOVERNOR CHANDLER GETS 422 MAJORITY IN NICHOLAS COUNTY

But Barkley Piles Up Lead Of 70,000 Votes In The State-Wide Count

RECORD VOTE IS CAST

With a record vote cast all over the state, and with the vote unusually heavy in Nicholas county, Senator Alben W. Barkley, incumbent from Paducah seeking the Democratic senatorial nomination against Governor A. B. Chandler, was declared the nominee by a majority of 70,585 votes.

When all the state's returns had been counted, he was found Barkley had gotten 231,721 votes to 161,136 for Chandler. The record number of votes cast amounted to 417,681 in the state. Both carried 79 counties and seven contested districts.

In Nicholas county, where the race was particularly close, Governor Chandler took the county's 18 precincts by a majority of 422 votes, 1,947 to 1,525. Ballots while Senator Barkley received 1,525.

In the congressional race in the Eighth District, in which a strong contest for the House seat by Stanley Blake of Carlisle, Joe B. Bates, Democratic incumbent, was elected to serve the unexpired term of Judge Fred M. Vinson, resigned, by a majority of 14,477 in the entire district to capture the Democratic nomination. Blake, of Ashland, and Blake, returns on which were not available, fought it out for second place.

Senator Blake had no trouble whatever in carrying his home county, though, defeating Bates here by 1,203 and Burchett by 1,153. Blake received 1,377 votes, Bates got 584, and Burchett took 224.

In this county among the Republicans, Judge John P. Haswell, Louisville, scored 1,477, to 1,377 votes to take the county over his four opponents. Senator Barkley polled more than 30 votes. Judge Haswell will represent the Republican ticket against Senator Barkley in November.

Senator Barkley carried Jefferson county, the largest voting center in the state, by approximately 30,397 votes. He polled three clock redesilized and gave 19,171.

Results in Nicholas county, as by precincts, follow:

Senatorial: Lehigh, 13; Mackey, 4; Carlisle, 1; Ballard, 1; Tagernow, Wilson, 5; Barkley, 988; Bullitt, 31; Chandler, 1,414; Coyle, 7; Dougherty, 2; Hendon 6. Congressional: Keffer, 6; Burchett, 224; Bates, 584; Branham, 7; Blake, 1,377; Baker, 1; Barrett, 76, 977.

Senatorial (Republican): Hawkins, 15; Ritchie, 31; Roberts, 6; Douglas, 4; Haswell, 153.

Nicholas county is one of the first counties in the state to report its total vote, all returns but one being finished by about ten p. m. Saturday.

Call and incumbents in Congress won the nomination for their seats, it stated.

Returns in surrounding counties show the following:

Bourbon: Barkley, 1,937, Chandler, 1,876, Barkley by 49; Bath, Barkley, 1,458, Chandler, 1,794, Chandler by 336; Bracken, Barkley, 1,000, Chandler, 1,778, Barkley, 778. Fleming Barkley, 1,142, Chandler, 2,297, Chandler by 1,155; Mason, Barkley, 1,937, Chandler, 2,688, Chandler by 811; Montgomery, Barkley, 2,013, Chandler, 1,369, Barkley by 644; and Robertson, Barkley, 513, Chandler, 672, Chandler by 159.

County, City Schools Open Sept. 5, 6, Respectively

Mrs. Eda B. Taylor, Nicholas county superintendent of schools, announced last Monday that on Monday, September 5, the 10 county graded schools would open for classes, and one hour has been set at 8:30 a. m.

City schools, under the direction of Prof. E. E. Plunkett, will be opened on Tuesday, September 6, also at 8:30 a. m.
