Of The

OLD PIPER HOMESTEAD

Just West of Carlisle, Ky.

JANUARY 22, 1938

At 1:30 O'Clock P. M.

We will offer for sale, on the premises, just outside the western city limits of Carlisle, and on Highway 32, the old Piper Homestead of 69 acres and all improvements.

This farm is one of the best known farms in the state. It was bought by W. L. Piper from Col. Bob Sims in 1876 and has never been on the market since, being sold now only to settle an estate. The entire farm, with the exception of 30 acres, is in blue grass and that three acres are sown to timothy and clover.

The house is of excellent brick construction. It has nine rooms, halls, porches and concrete basements. It is equipped with electric lights, bath and furnace. The house rests on a stone foundation and is in excellent state of repair.

Improvements consist of one good tenant house on main high way, one large tobacco barn, one large dairy barn with twelve covered stalls and running water, two 1000 bushel corn cribs, one granary, one stock barn and implement shed, one meat house and one large cistern.

Ten acres of this land are leased and fenced to the CCC Camp, bringing in a revenue of $300 per year.

The fact that this home has not been on the market for 61 years speaks for its desirability. It is within walking distance of Carlisle, one block from school and churches, near best sound financial institutions, and in a community of good living, grass land, part of which even today sells for $100 per acre. This farm produces a high price crop of tobacco year after year and is well watered and would make an ideal poultry or dairy farm as well as a fine home.

Crockett Offers Bill To Legalize Handbook Betting

A bill to legalize race horse handbooks, estimated to yield $50,000,000 annually to revenue hungry Kentucky, was introduced in the state senate Monday by Senator Wallace Allen Crockett of Mason county.

Crockett's measure embraces pari-mutuel betting on horse racing despite the constitution. Should the handbook bill be approved—and first indications were its chances of passage were bright—a constitutional court contest appeared inevitable.

TWO KILLED WHEN MOTORCYCLE HITS CAR OF LOCAL MAN

Bruce Gray And John Ginn Crash Into Automobile Of Jerry Howard

HOWARD EXONERATED

Two Bourbon county farmers were killed Saturday night when the motorcycle on which they were riding, allegedly without lights, crashed head-on into an automobile driven by Jerry Howard, 18, son of Mr. and Mrs. Leonard Howard, of Miller Station, this county. The accident occurred about three miles from Paris on the Lexington pike. The victims were Bruce Gray, 20, and John Ginn, 38, farmers of the Hutchison section of Bourbon county.

George Scott, Carlisle real estate dealer was returning to his home from Lexington, arrived at the scene a few minutes after the accident. After stopping to render assistance, Scott drove to Paris, reported the accident and a police ambulance was sent to the scene. Gray was evidently killed instantly and Ginn died a few minutes later, both men were badly crushed.

Howard remained at the scene to render what assistance he could to the injured men, he said Kemby Hedges, Paris police officer, arrived at the scene a few minutes later and escorted Howard to Paris where he was taken to the office of a physician and treated for minor injuries. Howard was then brought to his home near Carlisle.

Howard reported to the police station at Paris that he was driving his home that he was driver of the car. He said that while he was driving toward Paris on the Lexington road he saw a motorcycle approaching without lights. He stopped his car, he said, and the motorcycle ran into the front of his car.

No charges were placed against Howard, but he was asked to appear before the coroner's inquest held at Paris Monday morning.

Gray is survived by his wife, five small children and his parents, Mr. and Mrs. Oscar Gray, all of Bourbon county. He was a grandson of Mrs. Bettie Barlow, of the Upper Jacktown road, near Carlisle. Ginn is survived by his wife, three children and his parents, Mr. and Mrs. Alexander Ginn, all of Bourbon.

Funeral services were held for both men Monday afternoon and burial of both took place in the Paris cemetery.

The subcommittee contended the principle of the undistributed profits tax should be retained, but be retained, that complaints about its complexities should be given exaggerated, and that the severity of normal income and undistributed profits taxes on corporations "has been overstated."
