But It's True

Passing the home of a professor in Princeton, Wilson met a little boy who asked "What is the name of the man who built this house?" "The father told the boy to read the records," Wilson said.

Started Chicks

At the request of many of our customers, we have arranged to have started chicks for sale from the leading breeds through most of the month of June. All chicks sold by us are from Ky. U. S. Approved Pulverton Tucked stock and will make good or do for breeders. If you want a batch of late chicks for any purpose, we suggest started chicks as the answer to your requirements.

PRICES REASONABLE

No started chicks will be shipped but will be called for at the hatchery. Phone 168 Flemingburg Hatchery "The Pioneer Hatchery of Fleming County." Ky. U. S. Approved
