Farmers May Purchase More Red Clover Seed

Considerably more red seed than any other year for this season this 1938 is the feature of the Agricultural Economy says a representative of the Agricultural Economy. The report on the red clover seed market for this season is accounted for by the fact that the demand for red clover seed has increased considerably since last year and the very much lower price of red clover seed in 1937.

FARM TOPICS

PRODUCE STAND IS STREAMLINE STYLE

Rickety Stations Are Not Business-Getters.

W. C. Harrison, Farm Extension Agent, says that the modern farmer should have a modern, streamline style produce stand. The stand should be built on a concrete foundation, have a smooth, clean, light-colored finish and be attractive to the customer. The stand should be built on a concrete foundation, have a smooth, clean, light-colored finish and be attractive to the customer.

Improvement For Perry County

Spending \$500,000 on the improvement of Perry County, the Board of Public Works has approved a plan to improve the roads of the county. The plan includes the construction of new roads, the widening of old roads, and the improvement of the drainage system of the county.

Grading Turkeys Will Pay Raisers

Many turkey raisers have been advised to grade their turkeys to obtain the highest prices possible. The grading process involves the inspection of the turkey by a qualified grader, who will determine the grade of the turkey based on its weight, conformation, and other characteristics.

PLEASANT SPRINGS PIKE

The Pleasant Springs Pike is a scenic route through the mountains of Kentucky. The route is well-maintained and offers beautiful views of the surrounding landscape. The route is a popular destination for tourists and is a great place to enjoy the outdoors.

Kentucky Bank Officers Held Liable For Loss

The Kentucky Bank Officers have been held liable for a loss of \$100,000. The court found that the officers had failed to exercise reasonable care and prudence in the management of the bank's affairs, resulting in the loss.

STATE SEED MANAGER

The State Seed Manager has announced that the seed supply for the coming season is adequate. The manager stated that the seed supply is expected to be sufficient to meet the needs of the farming community.

OPERATES AT CARLISLE

The new hospital at Carlisle is now operating. The hospital is a modern facility and is well-equipped to handle a wide range of medical cases. The hospital is a great service to the community and is a source of pride for the town.
