brewing industry and its social responsibilities. Look for this symbol in members'own advertising.

GOOD LIGHT HELPS PROTECT EYESIGHT

THIS OFFER GOOD AT

A light-conditioned home is more surrative . . more cherful more hospitable . . more restful . . more invising—yet light conditioning is very inexpensive. For example, at the average residential rate, you can burn a 100-want Manda bulb two hours each evening for the price of a stick of gum or a book of matches.
