1,129 Dead Identified From Fingerprints

Washington, (AP)—Fingerprints of dead persons have saved 1,129 bodies from being buried for use in a number of graves in the last year, the department said in a report today.

The department said it was able to identify the remains of each finger print set to it.

The bill of St. Peter's in Rome weighs 38,600 pounds.

THE GARDEN
WINTER WINDMILL FOR VEGETABLES

By John R. Gardner, Kentucky
Although hot results follow the instructions given for the plant in the garden, it is not necessary to be disappointed. There are many reasons for this. First, the description follows the instructions given for the plant in the garden. Second, the instructions are given for the plant in the garden. Third, the instructions are given for the plant in the garden.

Old Watches Coming Back Into Style

Old watches are coming back into style. They are being worn more than ever before. They are being worn by men and women alike. They are being worn in all parts of the world. They are being worn in all classes of society.

Hot Furnish Large Per Cent Kentucky Farm Cash 10 Tons Of "Blayne Stone" Are Shipped To U. S.

Hot furnish large per cent Kentucky farm cash 10 tons of "Blayne Stone" are shipped to U. S. This stone is a valuable material used in the construction of buildings and other structures.

The Railway is the only "WAY" . . . not financed by Tax Money!

The people of the United States use four "ways" of transportation—waterway, airway, roadway and railway.

THE people of the United States use four "ways" of transportation—waterway, airway, roadway and railway.

Of these four, the railroads alone now build and maintain their own "ways" without the aid of the money we all pay in taxes.

Broken Key Leads To Thief's Arrest

A broken key found in a pocket led to the arrest of a thief. The thief had used the key to enter a building and steal property.
