

Along the Concrete

Health Notes

Mania is one of the most dangerous diseases of childhood. It is never known to occur in a child without showing other signs of a cold in the head, with some fever and some delirium.

The Nicholas Co. Building & Saving Association

will open a new series for the sale of stock, Saturday, January 7, 1938, at their office on Main St., Carlisle, Ky.

A Three Year's Cough in Your Baby's Sigh

is the result of a cold and the cough is a sign of a cold.
