 Mr. and Mrs. Pickett Blake and son spent from Saturday until Sunday with Mrs. Pickett Blake and son.

### "Our Own Make" Sheep Feed

For Your Ewes

We especially recommend this feed as a three-way winner. Ground Oats, Ground Corn and Wheat Feed as a body builder, Concentrated Meal, an essential conditioner, and a Dairy Concentrate for milk production.

This is truly an ideal feed for your ewes, and, fed in connection with good hay and "our own make" Mineral Mixture, will produce good, thrifty lambs which should reach the early markets.

### We Have All Kinds of Feeds for All Livestock
